DECISION

Decisions of the tribunal

- (1) The tribunal determines that service charges estimated in the sum of £4,126.00 in respect of the service charge year 2012/13 and the administration charge levied on 20/12/2012 are reasonable and payable subject to paragraph (2) below.
- (2) The tribunal notes that a surplus in the sum of £598.17 in respect of the service charge year 2011/12 was not credited to the Respondent's account until 26/04/2013. The lease stipulates that this surplus should have been credited in respect of the service charge year 2012/13.
- (3) The tribunal determines that the Respondent shall pay the Applicant £150.00 within 28 days of this decision in respect of the reimbursement of the hearing fee paid by the Applicant.
- (4) Since the tribunal has no jurisdiction over county court costs and fees, this matter should now be referred back to the Clerkenwell and Shoreditch County Court.

The application

1. The Applicant seeks a determination pursuant to s.27A of the Landlord and Tenant Act 1985 ("the 1985 Act") and Schedule 11 to the Commonhold and Leasehold Reform Act 2002 ("the 2002 Act") as to the amount of service charges and administration charges payable by the Respondent in respect of the service charge year 2012/13.
2. Proceedings were originally issued in the Northampton County Court under claim no. 3YK07241 on 06/03/2013 and subsequently transferred to the Clerkenwell and Shoreditch County Court. No Defence was filed or served by the Respondent but, on 20/03/2013, she wrote to the Court requesting that the matter be referred to this tribunal. The matter was duly referred by order of District Judge Manners on 19/04/2013.
3. The tribunal first heard the application at a pre-trial review hearing ("*PTR*") on 28/05/2013. The Applicant was represented at the hearing by their solicitor, Ms S Ferguson. The Respondent did not attend the PTR and she failed to comply with any of the directions ordered.
4. The relevant legal provisions are set out in the Appendix to this decision.

The hearing

5. The Applicant was represented by a solicitor, Mr J Naylor. The Respondent again did not attend.
6. Prior to the hearing, the tribunal considered a bundle of relevant documents prepared by the Applicant's solicitors. This bundle included various letters that the Respondent had sent to the tribunal. In addition to the bundle, the tribunal also considered the contents of the County Court file, which included the Respondent's correspondence with the Court dated 20/03/2013.
7. The bundle included a witness statement for Edward Crossfield dated 13/08/2013. Mr Crossfield is employed as a property manager by Crabtree Property Management LLP ("*Crabtree*"). The Applicant's solicitor confirmed that the witness statement contained two errors. Firstly, paragraph 9 of the statement incorrectly referred to the percentage in clause 7 of the lease as 5.55% whereas clause 7 states that this percentage is 2.88%. Clause 7 is penalty clause for late payment that has not been invoked by the Applicant in any event. Secondly, paragraph 18 wrongly referred to the Respondent's statements (actually her correspondence) as being in Tab 13 of the bundle whereas it was under Tab 11.
8. The tribunal was informed by the Applicant's solicitor that Crabtree took over the management of Beaumont Court shortly before March 2012. Mr Crossfield did not attend the hearing as he was on holiday. The Applicant's solicitor was only informed of this on 23/08/2013. Apparently, there was no-one at Crabtree who could attend the hearing, despite the fact that the application had been set down for hearing at the PTR back in May 2013. The Applicant's solicitor apologised to the tribunal for the absence of his client's witness but he was able to assist the tribunal by obtaining further instructions and additional information from Crabtree's senior property manager, Mr J Osborne, over the telephone during a short adjournment of the proceedings.

The background

9. The property which is the subject of this application is a self-contained residential flat located in a 5 storey purpose-built block containing a total of 57 flats with seven commercial units on the ground floor. There are 3 entrances at ground floor level leading to the flats with 2 communal staircases and lift access. There is a landscaped area to the rear, a basement area containing the communal boiler that provided heating and hot water (prior to its disconnection some years ago), a bin store and a driveway leading to a small car park.

10. Neither party requested an inspection and the tribunal did not consider that one was necessary, nor would it have been proportionate to the issues in dispute.
11. The Respondent holds a long lease of the property which requires the landlord to provide services and the tenant to contribute towards their costs by way of a variable service charge. The specific provisions of the lease and will be referred to below, where appropriate.

The issues

12. The service charges in respect of the year 2012/13 amounted to £4,126.00 and, in addition, an additional management fee of £360.00 was levied on 20/12/2012.
13. As a result of the referral from the County Court, the tribunal was required to consider whether the service charges of £4,126.00 and administration charge of £360.00 were payable and/or reasonable.
14. In her correspondence, the Respondent made some general remarks regarding such things as an increase in the charges and she also referred to the disconnection of the communal heating and hot water supply (the service charges do not include any charge for heating/hot water). Other than such general comments, the Respondent did not take issue with any specific items of expenditure.
15. Having considered the documents and heard submissions made by the Applicant's solicitor, the tribunal made determinations on the service charges of £4,126.00 for the year 2012/13 and also on the administration charge of £360.00. The tribunal's determinations are set out below.

A. Reserve fund

16. The sum of £1,080.00 has been charged on 25/03/2012 and again on 29/09/2012 in respect of the Respondent's contribution in advance to the reserve fund. The total reserve fund estimated for the year amounts to £75,000.
17. The Applicant's solicitor informed the tribunal that the previous managing agent had collected a reserve fund in order to redecorate the exterior of the building that was in a poor state. The sum of £185,000 was spent on these major works and the works were completed about 3-4 months ago. This expenditure amounted to 75% of the reserve fund that had been collected. The tribunal was informed that the reserve of £75,000 was being collected in order to fund further major works to bring the internal communal areas up to standard.

18. The tribunal was told that it was approximately 10 years or more since the internal communal areas were last decorated.

The tribunal's decision and reasons

19. Clause 8(i) obliges the Respondent to pay *"half yearly in advance on the twenty fifth day of March and the twenty ninth day of September in each year of the term 2.88 per centum of the reasonable estimated Total Service Cost for that year"*.
20. Clause 8(ii) states that the 'Total Service Cost' *"means the aggregate amount in each year running from the twenty six of March reasonably expended by the Company in the performance of its obligations under the New Leases and the amount of any reserve reasonably required in respect of its liability for maintenance and repairs thereunder and without prejudice to the generality of the foregoing shall include administrative costs professional and management fees and the costs of supplying an audited statement of the Total Service Costs to each New Lessee"*.
21. Clause 8(iii) provides that, *"Within four months of the twenty fifth of March in each year of the term the Company shall supply the Lessee with a statement prepared by the Auditors of the Company certifying the Total Service Costs of the preceding year ending on the twenty fifth day of March which statement shall be final and binding on the Company and the Lessee and such adjustment as shall be necessary shall be made to the amount due on the following twenty ninth day of September to equate to the annual subscription for the preceding year to 2.88% of the actual Total Service Cost"*.
22. The half yearly sums of £1,080.00 demanded in advance in respect of the reserve fund on 25 March and 29 September 2012 were in accordance with the terms of the lease as set out above.
23. The tribunal considered that a provision for a reserve fund was prudent management and the sum of £75,000 represented a reasonable amount given the size and character of the building and the planned works. The tribunal determined that the total sum of £2,160.00 for the service charge year 2012/13 was payable and reasonable.
24. Accordingly, the sum of £2,160.00 was allowed in full.

B. Service charges

25. The sum of £1,008.00 was demanded in advance on 25/03/2012 and again on 29/09/2012. The total sum of £2,016.00 is the amount of service charges demanded on account for the service charge year 2012/13.

26. The tribunal was informed by the Applicant's solicitor that the service charges demanded in advance represented the Respondent's contribution of 2.88% to the total estate expenditure estimated for the year.

27. Each item of estimated expenditure was separately considered by the tribunal and the tribunal's decision on each item is set out below:

Audit and accountancy fees £2,000

28. The tribunal considered the estimated sum to be reasonable and payable in accordance with Clause 8(ii) of the lease (set out above), which provides that the Applicant may, amongst other things, charge for the cost of supplying an audited statement of the Total Service Cost.

29. Accordingly, the amount was allowed in full.

Building insurance £11,000

30. The Applicant's contractual obligation to keep the building insured is set out in Clause 5.

31. Under paragraph 5 to Schedule 5, the Applicant is "*To provide such services as the Lessors consider necessary in order to maintain the Building as a good class block of residential flats*".

32. Clause 5(2) of the lease stipulates that the Applicant must provide the services set out in Schedule 5 and, therefore, the Applicant is entitled to recover the cost of the services set out under Schedule 5 of the lease. As building insurance is a necessary requirement of maintaining the building, the Applicant is entitled to recover the cost through the service charge. The Tribunal considered the estimated sum to be reasonable.

33. Accordingly, the amount was allowed in full.

Cleaning £13,400

34. Paragraph 1 of Schedule 5 provides that the Applicant must "*.. keep the entrance hall staircases and other part of the Building used in common cleaned and properly lighted*". Paragraph 2 to Schedule 5 requires the Applicant to keep the lift clean. Therefore, the Applicant is entitled to recover the cleaning costs through the service charges. The tribunal considered the estimate sum to be reasonable.

35. Accordingly, the estimated sum was allowed in full.

Communal electricity £2,000

36. Paragraph 1 of Schedule 5 requires the communal parts to be properly lighted. The Applicant is, therefore, entitled to recover the cost of the communal electricity through the service charges. The tribunal considered the estimated sum to be reasonable.
37. Accordingly, the estimated sum was allowed in full.

Company secretarial and statutory requirements £600

38. Clause 8(ii) of the lease entitles the Applicant to charge for its 'administrative costs'. The tribunal considered the estimated sum to be reasonable.
39. Accordingly, the sum was allowed in full.

Contingency £500

40. The provision for a contingency sum is recoverable under the general 'sweeping up' clause under paragraph 5 to Schedule 5. The tribunal considered the estimate sum to be reasonable.
41. Accordingly, the sum was allowed in full.

Gardening £1,400

42. Clause 8(ii) entitles the Applicant to recover its costs reasonably expended in the performances of its obligations. The Applicant's obligations include an obligation under Clause 5(2)(i) to maintain the grounds. The Applicant is, therefore, entitled to charge for such costs. The tribunal considered the estimate sum to be reasonable.
43. Accordingly, the sum was allowed in full.

Health and safety £1,000

44. The tribunal was informed by the Applicant's solicitor that a fire safety assessment was undertaken by Crabtree when they took over management of the building since there was an issue regarding the emergency lighting in the communal areas.
45. Such expenditure falls within the 'sweeping up' clause under paragraph 5 to Schedule 5 and, therefore, it is a cost that can be recovered through the service charges. The tribunal considered the estimated sum to be reasonable given the size and character of the building.

47. Accordingly, the sum was allowed in full.

Legal and professional fees £5,000

48. Clause 8(ii) provides that the Applicant can recover sums reasonably expended in relation to professional fees. The Applicant is, therefore, entitled to include such costs as part of the service charges. The tribunal considered the estimated sum to be reasonable.

49. Accordingly, the sum was allowed in full.

Lift maintenance £3,100

50. Paragraph 2 to Schedule 5 states that the Applicant must “.. *keep the lift in the Building clean and in proper working order*”. The Applicant is entitled to recover such costs pursuant to the lease and the tribunal considered the estimated sum to be reasonable.

51. Accordingly, the sum was allowed in full.

Managing agents fees £14,100

52. The expenditure on management fees is included in the costs that the Applicant is entitled to recover under Clause 2(ii). The Tribunal noted that Crabtree's estimated fees are lower than those charged by the previous managing agents in the service charge year 2011/12. The tribunal considered that the estimated fees were reasonable.

53. Accordingly, the sum was allowed in full.

Pest control £900

54. Such a service is part of the services included in the general 'sweeping up' clause set out in paragraph 5 to Schedule 5. Therefore, it is a cost that the Applicant is entitled to recover and the tribunal decided that the estimated sum was reasonable.

55. Accordingly, the sum was allowed in full.

Refuse collection and bin hire £5,000

56. This cost is also part of the general service included in the 'sweeping up' clause under paragraph 5 to Schedule 5. Therefore, it is a cost that the Applicant is entitled to recover and the tribunal decided that the estimated sum was reasonable.

57. Accordingly, the sum was allowed in full.

Repairs and maintenance £10,000

58. Clause 5(2) of the lease obliges the Applicant to repair and maintain the building and such costs are recoverable under Clause 2(ii). The Applicant is entitled to recover such costs and the tribunal considered that the estimated sum was reasonable.

59. Accordingly, the sum was allowed in full.

Transaction charge £50

60. The Applicant's solicitor informed the Tribunal that this was a bank charge incurred when Crabtree set up a new client account to handle the service charges when it took over management of the building. Such an administrative costs is recoverable under Clause 2(ii). The Tribunal considered this cost to be reasonable given that it was the actual charge made by the bank.

61. Accordingly, the sum was allowed in full.

Total estimated service charge costs

62. The estimated expenditure for the service charge year 2012/13 amounted to £70,050. A credit was made in this year for bank interest in the sum of £50.00 leaving a balance of £70,000. The Respondent is obliged under the lease to pay a contribution of 2.88%, i.e. £2,016 (which was payable in two half yearly instalments of £1,080).

C. Additional management fee

63. The Applicant's solicitor informed the Tribunal that Crabtree's credit control department had charged the Applicant the sum of £360.00 including VAT in respect of fixed costs incurred under the management agreement to recover the unpaid service charges. The Tribunal was told that the Respondent has not paid anything at all towards the costs for the service charge year in question and that there have been similar problems of non-payment in other years. The fixed fee charge relates to the time spent considering the action to be taken, sending a total of 3 letters to the Respondent concerning the arrears and then instructing solicitors to pursue the debt. The Applicant's solicitor informed the Tribunal that the current county court action could result in forfeiture proceedings at a later date.

Tribunal's decision and reasons

64. Clause 3(15) entitles the Applicant to recover all expenses incurred by or incidental to the service of a notice under section 146 of the Law of Property Act 1925. Clause 8(ii) also entitles the Applicant to recover costs reasonably expended in relation to administrative costs. Therefore, the administration charge is recoverable under these terms of the lease. The Tribunal considered the sum charged to be reasonable.
65. Accordingly, the sum was allowed in full.

D. Surplus

66. A surplus of £598.17 in respect of the service charge year 2011/12 was not credited to the Respondent's service charge account until 29/04/2013 shortly after the county court proceedings in respect of the service charge year 2012/13 were issued.
67. The sum of £598.17 should have been credited to the account by 29 September 2012 in order to comply with the balancing provisions of the lease set out at Clause 8(iii).

E. Reimbursement of hearing fee of £150

68. At the end of the hearing, the Applicant's solicitor made an application for a refund of the hearing fee of £150.00 paid by the Applicant in respect of the application.
69. It was the Respondent herself who requested that the matter be transferred to the tribunal thereby resulting in the fee being incurred.
70. The Respondent failed to comply with directions and she took no part in the proceedings. The Respondent has not paid anything at all towards the service charges. Whilst the tribunal had regard to the fact that the Respondent is unable to work due to ill health, she is nevertheless contractually obliged to pay service charges under the terms of the lease. Her personal difficulties do not alter this obligation.
71. Given that the tribunal found that all charges were payable and reasonable, the tribunal orders the Respondent to refund the hearing fee of £150.00 within 28 days of the date of this decision.

The next steps

72. The tribunal made determinations in respect of the sum of £4,486.00 as that was the sum transferred by the County Court for the tribunal's consideration.
73. When the matter is remitted back to the County Court, it must be noted that the sum of £598.17 should have been applied to service charge account for the service charge 2012/13 thereby reducing the sum owed for this year.
74. The tribunal has no jurisdiction over county court costs. This matter should now be returned to the Clerkenwell and Shoreditch County Court.
