DECISION

1. At the hearing on 23rd July 2014 the Tribunal was informed that the parties had reached an agreement whereby the named respondents and the members of the Mansford and Avebury East Estate Leaseholders Association who were represented by Ms J D'Arcy in the proceedings had withdrawn their objection to the grant of dispensation to the landlord in this application on terms agreed and on the ground that there has been no prejudice suffered by reason of any breaches of the regulations. In the absence of any further objection by any other leaseholder the determination of the Tribunal therefore is to grant dispensation to the Applicant under the provisions of Section 20ZA of the 1985 Act in respect of the works carried out to the 317 dwellings on the estate by Apollo Construction and completed in 2009.
