

MERGER ANNOUNCEMENT - M/19/046

Competition and Consumer Protection Commission clears proposed acquisition by Recipharm Holdings Limited of sole control of Consort Medical PLC

28 January 2020

The Competition and Consumer Protection Commission has cleared the proposed transaction whereby Recipharm Holdings Limited would acquire sole control of Consort Medical PLC. The proposed transaction was notified under the Competition Act 2002, as amended, on 20 December 2019.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

Additional Information

Recipharm Holdings Limited is a wholly owned subsidiary of Recipharm AB, a Swedish-registered contract development and manufacturing organisation which provides drug development and manufacturing services to the pharmaceutical industry in the State.

Consort Medical PLC is a UK-registered contract development and manufacturing organisation which provides drug development and manufacturing services to the pharmaceutical industry in the State.
