**JUDGMENT of Humphreys J. delivered on Friday the 12th day of August, 2022**

1. In *Dublin 8 Residents Association v. An Bord Pleanála* [2022] IEHC 116, [2022] 3 JIC 1106 (Unreported, High Court, 11<sup>th</sup> March, 2022), I granted an order amending the title of the proceedings and decided in principle to refer certain questions to the CJEU.
2. I now deal with certain procedural matters prior to the formal order for reference.
3. In the No. 1 judgment I gave the parties the option of proposing the addition of any *amici curiae* that might assist the formulation of the formal order for reference and that might assist the CJEU, but no such proposals were made.
4. To assist the CJEU, a full list of the relevant EU, international and domestic legal material is set out in the appendix to the judgment together with web links.
5. It is now necessary to give directions for the purpose of ensuring the timely submission of the reference to the CJEU.
6. With those matters addressed, the order for reference will be dealt with in a separate judgment.
7. Accordingly, the order will be as follows:
  - (a). I will direct that the applicants lodge the following documents with the List Registrar in an electronic form having agreed the contents with the other parties, as soon as

practicable and in any event not later than 9th September, 2022, for transmission to the CJEU by the Principal Registrar:

- (i). a contents page in electronic form of the documents submitted; and
  - (ii). a PDF containing all pleadings, with any names of natural persons redacted from orders and judgments (leaving initials only). If this PDF exceeds 30MB, it is to be split into separate PDFs each of which should not individually exceed 30MB. The PDF(s) should include among other pleadings and papers:
    - 1. a scanned copy of the signed approved version of all judgments (including the judgment for reference (the No. 3 judgment) when issued); however the version to be included of the present judgment should be a scan of the signed copy of the substantive part of the judgment together with an electronic version of the appendix which preserves the clickable links); and
    - 2. a scanned version of the order for reference;
- (b). I will adjourn the hearing of the balance of the matter pending the decision of the CJEU; and
- (c). the matter will be listed for mention on Monday 3rd October, 2022 at 2 p.m.
