EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, made under provisions inserted into the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (“the Act”) by the Work and Families (Northern Ireland) Order 2006, make provision relating to additional statutory paternity pay in respect of adoptions from overseas. An adoption from overseas is defined in the Regulations as an adoption of a child who enters Northern Ireland from outside the United Kingdom in connection with or for the purposes of adoption which does not involve the placement of the child for adoption under the law of any part of the United Kingdom.

These Regulations should be read in conjunction with the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (Application of Parts 12ZA and 12ZB to Adoptions from Overseas) Regulations (Northern Ireland) 2003 (Amendment) Regulations (Northern Ireland) 2010, which provide for the provisions of Part 12ZA (in so far as they concern additional statutory paternity pay) to have effect, with prescribed modifications, in relation to cases which involve adoption, but not the placement of a child for adoption under the law of any part of the United Kingdom.

Regulation 3 sets out the extent to which and the manner in which the Additional Statutory Paternity Pay (General) Regulations (Northern Ireland) 2010 apply to adoptions from overseas.

Regulation 4 is an application provision: there is an entitlement to additional statutory paternity pay where the relevant provisions of Part 12ZA of the 1992 Act (as modified) and the provisions of the Regulations are satisfied.

Regulation 5(2) sets out the conditions regarding relationship with a child and the adopter (which, where two people are adopting together, is the person who will be taking adoption leave in respect of the child) which the applicant for additional statutory paternity pay must satisfy in order for his or her entitlement to arise. Regulation 5(3) sets out the conditions which the applicant must satisfy as regards employment before the expected week of the child’s entry into Northern Ireland and employment in the period immediately preceding the period in respect of which additional statutory paternity pay will be payable. Regulation 6 sets out conditions which the adopter must satisfy and these include the requirement that he or she has returned to work. Regulation 7 concerns the period in respect of which additional statutory paternity pay is payable. In broad terms (and subject to various conditions set out in regulation 7 and at section 167ZEE of the Act, as modified), the applicant may choose the dates on which this period is to begin and end. Regulation 8 provides for the process of applying for additional statutory paternity pay and sets out various requirements as to information and evidence which the applicant must provide to his or her employer.

Provision is also made for the payment of additional statutory paternity pay in connection with the adoption of a child from overseas where the adopter dies. Regulation 7(4) and (5) applies to a case in which the adopter dies after the beginning of the period in respect of which additional statutory paternity pay is payable. It allows for a longer period in many such cases. Regulations 9 and 10 concern cases where the period in respect of which additional statutory paternity pay is payable has not already commenced when the adopter dies. Regulation 9 concerns the various conditions which must be satisfied by the applicant in such circumstances and, also, the different pay period which will invariably apply in such cases.

Regulation 11 provides for the exceptional circumstances in which additional statutory paternity pay (in connection with the adoption of a child from overseas) will be payable to a person even though he is working, albeit for another employer. Regulation 12 sets out what is meant by an adopter’s “returning to work”.
