Regulations (Northern Ireland) 2015**

Made - - - - 4th August 2015

Coming into operation 11th September 2015

The Department of Health, Social Services and Public Safety⁽¹⁾ makes the following Regulations in exercise of the powers conferred by Articles 15(1), 16(1), 25, 26(3), 32(1) and 47(2) of the Food Safety (Northern Ireland) Order 1991⁽²⁾, and by section 2(2) of, and paragraph 1A of Schedule 2 to the European Communities Act 1972⁽³⁾.

The Department of Health, Social Services and Public Safety has been designated⁽⁴⁾ for the purposes of section 2(2) of the European Communities Act 1972 in relation to food and drink intended for sale for human consumption, including the presentation, packaging, labelling, marketing and advertising of such food and drink.

The following Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972, and it appears to the Department of Health, Social Services and Public Safety that it is expedient for any reference to Commission Implementing Regulation (EU) No 1337/2013 laying down rules for the application of Regulation (EU) No 1169/2011 of the European Parliament and of the Council as regards the indication of the country of origin or place of provenance for fresh, chilled and frozen meat of swine, sheep, goats and poultry⁽⁵⁾ to be construed as a reference, specified in regulation 2(3), to the provisions of that regulation as amended from time to time.

So far as the following Regulations are made in exercise of powers under the Food Safety (Northern Ireland) Order 1991, the Department of Health, Social Services and Public Safety has had regard to relevant advice given by the Food Standards Agency in accordance with Article 47(3A) of that Order.

As required by Article 9 of Regulation (EC) No 178/2002⁽⁶⁾ of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety, there has been open and transparent public consultation during the preparation and evaluation of these Regulations.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision to enforce certain provisions of Commission Implementing Regulation (EU) No 1337/2013 laying down rules for the application of Regulation (EU) No 1169/2011 of the European Parliament and of the Council as regards the indication of the country of origin or place of provenance for fresh, chilled and frozen meat of swine, sheep, goats and poultry (OJ No L 335, 14.12.13, p 19) (“the Commission Regulation”).

Regulation 3 sets out that each district council within its district is the competent authority for the purposes of Article 5(1) and (2) of the Commission Regulation. Regulation 4 makes District Councils responsible for enforcement of the Regulations.

Regulation 5 requires food business operators to keep records for 12 months from the end of the calendar year to which each record relates.

Regulation 6 and the Schedule apply certain provisions of the Food Safety (Northern Ireland) Order 1991 (1991 N.I. 7) with modifications. This includes the application (with modifications) of Article 9(1), enabling an improvement notice to be served requiring compliance with specified provisions of the Commission Regulation or with regulation 5. The provisions, as applied, make the failure to comply with an improvement notice an offence.
