- (a) neither a lower tier ill-health pension nor a higher tier ill-health pension are payable under article 12 (award on ill-health retirement) of the NFPS; and
- (b) an ill-health award is payable under this scheme in accordance with this paragraph.

(3) If the member meets the conditions only for a lower tier ill-health pension under this scheme the annual rate of a lower tier ill-health pension payable under this scheme is the sum of—

- (a) the annual rate of a lower tier ill-health pension payable under this scheme; and
- (b) an amount payable under regulation 73(4) (entitlement to lower tier ill-health pension and to higher tier ill-health pension).

(5) If, after an ill-health award becomes payable under this scheme, a transfer value payment is made under Chapter 2 (transfers out of the Scheme) of Part 12 (transfers into and out of the Scheme) of the NFPS in respect of the member’s rights under that Scheme and the transfer relates to a period of service included as qualifying service in relation to the member’s retirement account, the scheme manager must deduct from the ill-health award the amount in respect of service in the NFPS which is equal to the value represented by that transfer value payment.

(6) In this paragraph—

“relevant scheme employment” means the continuous period of pensionable service in scheme employment in relation to the active member’s account to which the qualifying service for that connected member of the NFPS, or connected special member of the NFPS, was added for the purposes of regulation 66 (qualifying service).

- (b) an amount payable under regulation 73(4) (entitlement to lower tier ill-health pension and to higher tier ill-health pension).

(4) If the member meets the conditions for a higher tier ill-health pension under this scheme, the adjusted lower tier ill-health pension in regulation 74(4) (annual rate of ill-health awards) includes the amount in sub-paragraph (3)(b)

for the purposes of the calculation of the annual rate of the higher tier ill-health pension.

(5) If, after an ill-health award becomes payable under this scheme, a transfer value payment is made under article 55 (payment of transfer value) of the FPS in respect of the member's rights under that Scheme and the transfer relates to a period of service included as qualifying service in relation to the member's retirement account, the scheme manager must deduct from the amount of the ill-health award an amount in respect of service in the FPS which is equal to the value represented by that transfer value payment.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make transitional provisions for a member of the Firefighters’ Pension Scheme (FPS) and a member of the New Firefighters’ Pension Scheme (NFPS) who are no longer able to remain active members of those Schemes following the transitional provisions in Schedule 2 to the Firefighters’ Pension Scheme Regulations (Northern Ireland) 2015 (2015 Regulations).

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

The Regulations has effect from 1st April 2015. Powers to give the Regulations retrospective effect is conferred by section 3(3)(b) to the Public Service Pensions Act (Northern Ireland) 2014.

The amendments to Schedule 2 to the 2015 Regulations provide for the ill-health benefits and survivorship benefits in relation to an active member of the Firefighters' Pension Scheme (Northern Ireland) 2015 who is treated as an "active member" of the FPS and the NFPS for this purpose. The amendments provide when a member of these Schemes is treated as "active" and when treated as a deferred member. Consequential amendments are made for these purposes to the NFPS and the FPS.

The amendments to the Schedule also make consequential amendments in connection with the Schedule 7 to the Public Service Pension Act (Northern Ireland) 2014 (final salary link). Further amendments are made in connection with this to the definitions of "pensionable pay" and "final pensionable pay" in the NFPS and to the definition of "pensionable pay" and "average pensionable pay" in the FPS.

The amendments to Schedule 1 also make provision for new entitlements to shared parental leave and statutory shared parental pay in place of additional paternity leave and additional statutory paternity pay as a consequence of Part 2 of the Work and Families Act (Northern Ireland) 2015.

A full impact assessment has not been produced for these Regulations as no impact on the private or voluntary sectors is foreseen.
