EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Education (Student Support) (No. 2) Regulations (Northern Ireland) 2009 (S.R. 2009 No. 373) (“the Student Support Regulations”), the Student Fees (Qualifying Courses and Persons) Regulations 2007 (S.R. 2007 No. 328), (“the QCP Regulations”) and the Education (Student Loans) (Repayment) Regulations (Northern Ireland) 2009 (S.R. 2009/128) (“the Repayment Regulations”).

The principal amendments which these Regulations make to the Student Support Regulations are as follows.

Regulation 3 amends regulation 2(1) of the Student Support Regulations to include definitions connected with the higher education regulatory regime established in England by the Higher Education and Research Act 2017 (“HERA”). Amongst these are definitions of “the register”, “registered”, “approved” and “approved (fee cap)” providers. Regulation 3(b) also partially amends the definition of “accelerated course” in line with the definition set out in paragraph 4(2) of Schedule 2 to HERA, and adds to the general interpretation section the definition of an “accredited institution”, to reflect the wider availability of loans for school-centred initial teacher training courses.

Regulation 4 amends regulation 6(1) of the Student Support Regulations to amend the criteria for full-time courses to be designated for student support in the form of grants and loans to eligible students. Full-time higher education courses provided by or on behalf of registered English approved (fee cap) providers are to be designated for student support. Regulation 6, amending regulation 13 of the Student Support Regulations contains similar amendments to reflect the new terminology.

Regulation 5 amends regulation 8 of the Student Support Regulations to ensure that on transfer between courses, the provisions enabling the retention of eligible student status and existing levels of support do not apply where a student transfers to an accelerated course. Where a student transfers to an accelerated course, and is an eligible student, the new levels of support prescribed by these Regulations will apply.

Regulation 6, amends regulation 13 of the Student Support Regulations to include the following courses when considering previous course study; courses undertaken at approved (fee cap) providers in England and those that were undertaken at accredited institutions which, were unregistered for some or all of the academic years during which the student attended or undertook the course.
