In accordance with section 14(1) of that Act, this Order is made in relation to a harbour which is being improved, maintained or managed by a harbour authority in the exercise and performance of statutory powers and duties, for achieving objects specified in Schedule 2 to that Act(2).

In accordance with paragraph 5 of Schedule 3 to that Act(3), Ministers have informed the Commissioners in writing that the application does not relate to a project which falls within Annex I or II to Directive 2011/92/EU of the European Parliament and of the Council on the assessment of the effects of certain public and private projects on the environment(4).

Notice has been published by the Commissioners in accordance with the requirements of paragraph 10 of that Schedule.
