EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Plant Health (Import Inspection Fees) (Scotland) Regulations 2014 (“the principal Regulations”).

Article 13d of Council Directive 2000/29/EC (OJ L 169, 10.7.2000, p.1) (“the Directive”) requires a member State to ensure the collection of fees to cover the costs occasioned by the documentary checks, identity checks and plant health checks of certain imports of plants, plant products and other objects from third countries which are required by Article 13a(1) of the Directive. Pursuant to Article 2 of Commission Regulation (EC) 1756/2004 (OJ L 313, 12.10.2004, p.6), the European Commission notifies member States of plants and plant products which should be subject to reduced inspection and of the rate of such inspection. Regulation 2(a) substitutes Schedule 2 to the principal Regulations to take account of the most recent Commission Notification on reduced inspection rates, available at http://ec.europa.eu/food/plant/plant_health_biosafety/trade_non_eu/reduced_frequency_checks_en.htm.

The Table provides a comparison of changes made to the fees in Schedule 2 to the principal Regulations:
