EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Public Bodies (Joint Working) (Prescribed Health Board Functions) (Scotland) Regulations 2014 (“the 2014 Regulations”) to prescribe certain functions within the Carers (Scotland) Act 2016 (“the 2016 Act”) for the purposes of section 1(6) of the Public Bodies (Joint Working) (Scotland) Act 2014 (“the 2014 Act”).

The 2014 Act requires Health Boards and local authorities to agree arrangements for joint working in their area in relation to certain of their statutory functions. These joint working arrangements involve the delegation of functions by local authorities or Health Boards, or both, to an integration authority.

By virtue of section 1(6) of the 2014 Act, a Health Board may only delegate functions that are prescribed in regulations. Regulation 2 and schedule 1 of the 2014 Regulations prescribe certain functions for the purposes of section 1(6) of the 2014 Act. Regulation 2 amends schedule 1 of the 2014 Regulations to prescribe certain functions under the 2016 Act for the purpose of section 1(6), so that these functions may be delegated by Health Boards to integration authorities.
