### **7. Comments (optional)**

The Complainant may well have a valid complaint, unfortunately the Complaint is very poorly drafted and difficult to understand. The documents do not sufficiently evidence the Complaint as far as it can be understood and the Expert recommends that the Complainant resubmit a complaint having instructed a UK legal representative to submit a properly drafted and substantiated complaint.

### **8. Decision**

I refuse the Complainant's application for a summary decision. The domain name registration will therefore remain with the Respondent.
