For the Respondent: Mr I Jarvis, Senior Home Office Presenting Officer

DECISION AND REASONS
EXTEMPORE JUDGMENT

1. This is the extempore decision.
2. Rule 40(3) of the Tribunal Procedure (Upper Tribunal) Rules 2008 (statutory instrument 2008/2698 as amended) applies to this decision.
3. This appeal concerns a November 2015 refusal of an application to extend leave as a Tier 4 General Student.

4. The parties were in agreement that in light of the findings that there had been no misrepresentation in the application, and the Appellant had not been party to any deception in the context of his earlier language certificate in his earlier case, the Ft TJ had mistook the law and the appeal should have been allowed as "not in accordance with the law" so that the application remains outstanding with the Secretary of State.
5. Mr Jarvis for the Respondent anticipates that in line with the prevalent policy the applicant or Appellant will be granted 60 days' leave to afford an opportunity to obtain a new CAS.
6. Accordingly, by consent the appeal to the Upper Tribunal is allowed as follows
 - (1) the First-tier Tribunal decision is infected by error of law and I set it aside;
 - (2) I remake the decision allowing the Appellant's appeal on Immigration Rules grounds to the extent that it is not in accordance with the law and remains outstanding with the Secretary of State.

No anonymity direction is made.
