COSTS JUDGMENT

1. I find that the claimant brought and conducted this claim vexatiously and accordingly a pre-condition is satisfied so that I then need to consider whether I should exercise my discretion to make an order.
2. Having considered the salient matters I exercised my discretion so that a Costs order is made.
3. The specified sum for the quantum of costs is £13,419.10 to which must be added VAT in respect of Counsel's fee notes but a revised figure for VAT in respect of the Solicitor's cost having regard to the adjustments I have made.
4. Accordingly the claimant is to pay costs in the amount calculated by reference to the above paragraph forthwith (subject to any enforcement steps that might be taken or steps within those enforcement proceedings).
