

EMPLOYMENT TRIBUNALS

Claimant: Mr J Linton

Respondent: University of Sheffield & David Oglethorpe

JUDGMENT

The claims of associative direct discrimination and discrimination due to belief are struck out.

REASONS

Three deposit orders were made on 27 November 2019 and sent to the Claimant on 04 December 2019. The Claimant was specifically advised of the time to pay each deposit. I explained to the Claimant what would occur if he did not pay one or more of the deposits. The Claimant has paid a deposit in relation to victimisation only. Pursuant to rule 39(4) the subject of the two other deposit orders are struck out for non-compliance
