JUDGMENT

1. At the time of the events complained of in this claim, the claimant had a disability as defined in the Equality Act 2010.

Notes

1. This hearing was conducted by Skype (V- video). The parties did not object. A face to face hearing was not held because it was not practicable and all the issues could be dealt with by Skype. I had in front of me the agreed preliminary hearing file of documents, the Claimant's impact statement and the parties' case management agendas and attachments.
2. Reasons were given orally and the respondent requested written reasons. They will be provided in due course.
