

EMPLOYMENT TRIBUNALS

Claimant: Miss G Burt-Davies
Respondent: Primary Technologies (S.E.) Limited

JUDGMENT

The claim of indirect discrimination is struck out

REASONS

1. By a letter dated **28 February 2022** the Tribunal gave the claimant an opportunity to make representations or to request a hearing, as to why the claim of indirect discrimination should not be struck out because
 - the claimant had not complied with the Order of the Tribunal dated **4 October 2021** and
 - it has not been actively pursued.
2. The claimant has failed within the time stipulated to make representations in writing or has failed to make any sufficient representations, why the claim should not be struck out or to request a hearing. The claim of indirect discrimination is therefore struck out.
3. The Claimant's remaining claims will be dealt with at a preliminary hearing on 17 May 2022.
