

EMPLOYMENT TRIBUNALS

Claimant: Ms P Saxby

Respondent: Moonbug Entertainment Limited

JUDGMENT

The claim is struck out.

REASONS

- (1) By a letter dated **20 April 2022** the Tribunal wrote to the claimant to warn her that Employment Judge E Burns was considering striking out her claim because it has not been actively pursued. The claimant was asked to respond by email by **4 pm on 26 April 2022** if she wished to object. She was also offered the opportunity to attend a hearing for this purpose.
- (2) Prior to sending this letter the claimant had failed to attend a case management hearing, to comply with any case management orders and to respond to earlier tribunal correspondence. At one point, she indicated that she intended to apply for stay in the case, but has not supplied the evidence requested to support this application.
- (3) As at today's date, 28 April 2022, the claimant has failed to respond to the letter warning her of the strike out and therefore Employment Judge E Burns has decided today that the case should be struck out as it is not being actively pursued pursuant to rule 37(1)(d) of The Employment Tribunal Rules of Procedure 2013.
- (4) The hearings due to take place on 29 April and 29 and 30 June 2022 will not take place.
