JUDGMENT

1. The hearing continued in the absence of the respondent, which had not presented a response and did not attend the hearing.
2. The parties formed an agreement on the 6 August 2023 that the respondent would pay the claimant's late wages on 1 September 2023. The respondent failed to pay the wages on 1 September. The claim is brought in time.
3. The claimant has permission to amend his claim to reflect that he was not paid for work done on 1, 2, 3, 6, 8, 9, 10 November 2023, which fell after the time his claim was issued.
4. The total amount that the respondent should pay to the claimant is £130 x 26 = **£3,380**. This is the amount which should be paid directly to the claimant, and the claimant must then account for any tax owed for this tax year.
