### **Decision notice**

**Date:** 10 December 2019

**Public Authority:** Diocese of Westminster Academy Trust

**Address:** c/o The Education Service  
The Diocese of Westminster  
Vaughan House  
46 Francis Street  
London  
SW1P 1QN

#### **Decision (including any steps ordered)**

---

1. The complainant requested information from the Diocese of Westminster Academy Trust ("the Trust") about a Freedom of Information request and its response.
2. The Commissioner's decision is that the Trust has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Trust to take the following steps to ensure compliance with the legislation.
  - Respond to the complainant's request in accordance with the FOIA.
4. The Trust must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

## Request and response

---

5. On 24 July 2019, the complainant wrote to the Trust and requested information in the following terms:

*"It appears that [Name Redacted] may have made a Freedom of Information request as the source of this appalling rant.*

*In which there is a very simple way to deal with my complaint just send me a copy of the FoI request and your reply. There, conveniently, of course, is no need to redact the requester's name as this a public request."*

6. To date, a substantive response has not been issued.

## Scope of the case

---

7. The complainant contacted the Commissioner on 4 November 2019 to complain about the failure by the Trust to respond to his request.
8. The Commissioner has considered whether the Trust has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

## Reasons for decision

---

9. Section 1(1) of the FOIA states that:

*Any person making a request for information to a public authority is entitled –*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him.*

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt."
11. On 20 November 2019 the Commissioner wrote to the Trust, reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
12. Despite this intervention the Trust has failed to respond to the complainant.

13. From the evidence provided to the Commissioner in this case, it is clear that the Trust did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the Trust has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
