

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 11 November 2020

Public Authority: London Borough of Wandsworth
Address: The Town Hall
Wandsworth High Street
London
SW18 2PU

Decision (including any steps ordered)

1. The complainant requested information from the London Borough of Wandsworth ("the Council") relating to the Council's Prevent strategy. By the date of this notice the Council had not provided a substantive response to this request.
2. The Commissioner's decision is that the Council has failed to respond to the request within 20 working days and has therefore breached section 10 of the FOIA.
3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response to the request in accordance with its obligations under the FOIA.
4. The Council must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 29 May 2020, the complainant wrote to the Council and requested information in the following terms:

"I would like to request the following information about the Prevent strategy:

- 1. Are all Prevent projects commissioned by the council evaluated internally?*
 - 2. If so, what are the terms of reference?*
 - 3. Can you describe what the evaluations involve?*
 - 4. How regularly do these evaluations take place?*
 - 5. Who is responsible for these evaluations?*
 - 6. Are the projects observed in full by the Prevent Coordinator?*
 - 7. Can you share the evaluation reports with us?"*
6. The Council wrote to the complainant on 1 June 2020 to acknowledge the request.
7. On 27 July 2020, as the complainant had not received a response, she wrote to the Council and requested an update on the status of her information request.
8. The complainant wrote to the Council again on 28 August 2020 and requested an update on her information request as she had not received a response.

Scope of the case

9. The complainant contacted the Commissioner on 1 October 2020 to complain about the Council's failure to respond to her request.
10. The Commissioner contacted the Council on 19 October 2020 reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
11. The Commissioner also contacted the complainant on 19 October 2020 to explain that the Council had been given 10 working days from that date within which to provide a response to their request.

12. The complainant has provided evidence that she has received an acknowledgement from the Council but, by the date of this notice, had not received a substantive response to her information request.
13. The scope of this notice and the following analysis is to consider whether the Council has complied with section 10 of the FOIA.

Reasons for decision

14. Section 10 of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) To be informed in writing by the public authority whether it holds information of the description specified in the request, and*
 - (b) If that is the case, to have that information communicated to him.*
15. The Commissioner considers that the request in question fulfilled the above criteria and therefore constituted a valid request for recorded information under the FOIA.
 16. Section 10 of the FOIA states that responses to requests made under the Act must be provided, "*promptly and in any event not later than the twentieth working day following the date of receipt.*"
 17. The Council did not provide a substantive response to the request within 20 working days of receipt. Therefore, the Commissioner's decision is that the Council has breached section 10 of the FOIA.
