Decision notice

Date: 16 August 2021

Public Authority: Liverpool City Council ("the Council")

Address: Municipal Buildings
Room 221
Dale Street
Liverpool
L69 2DH

Decision (including any steps ordered)

1. The complainant requested information from Liverpool City Council ("the Council") about grants and loans the Council and Mayor have made since 2010. By the date of this notice the Council had failed to provide a substantive response to this request.
2. The Commissioner's decision is that the Council has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation.
 - Respond to the complainant's request in accordance with the FOIA.
4. The Council must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 29 March 2021, the complainant wrote to the Council via the WhatDoTheyKnow website and requested information in the following terms:

"Dear Liverpool City Council,

Please provide a spreadsheet with a list of all grants and loans the Council and Mayor have made since 2010.

Please provide the following information in it;

- 1. The name of the beneficiary.*
- 2. The amount given to the beneficiary.*
- 3. The date it was given.*
- 4. Whether or not it was a loan or non-repayable grant.*
- 5. The terms of the loan/grant.*
- 6. How much each beneficiary has repaid.*

Yours faithfully"

6. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 9 July 2021 to complain about the failure by the Council to respond to his request.
8. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10 (1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him.*

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt.”
11. On 23 July 2021 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
12. Despite this intervention the Council has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with the FOIA. The Commissioner finds that Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
