

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 2 November 2021

Public Authority: London Borough of Hackney

Address: Town Hall
Mare Street
London
E8 1EA

Decision (including any steps ordered)

1. The complainant requested information from London Borough of Hackney ("the Council") about the number of councillors living in low traffic neighbourhoods. By the date of this notice the Council had not issued a substantive response to this request.
2. The Commissioner's decision is that the Council has breached section 10 of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following step to ensure compliance with the legislation.
 - The Council must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. The Council must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 24 August 2021, the complainant wrote to the Council via the WhatDoTheyKnow website and requested information in the following terms:

*"I would like to know how many of Hackney current councillors live inside a low traffic neighbourhood.
I would like a breakdown of how many councillors, if any, in each low traffic neighbourhood."*

6. The Council acknowledged the request on 25 August 2021
7. To date, a substantive response to the request has not been issued.

Scope of the case

8. The complainant contacted the Commissioner on 6 October 2021 to complain about the Council's failure to respond to their request.
9. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10 of the FOIA.

Reasons for decision

10. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

11. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.
12. On 18 October 2021 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.

13. Despite this intervention the Council has failed to respond to the complainant.
14. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the Council has breached section 10 by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
