

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 19 April 2021

Public Authority: Bassetlaw District Council
Address: Queen's Buildings
Potter Street
Worksop
Nottinghamshire
S80 2AH

Decision (including any steps ordered)

1. The complainant requested information from Bassetlaw District Council (the Council) relating to cycle and walking audits of Retford and for information relating to a Green Flag award for Kings Park, Retford. The Council had failed to provide a substantive response by the date of this notice.
2. The Commissioner's decision is that the Council failed to respond to the request within 20 working days and has therefore breached section 10 of the FOIA.
3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response, under the FOIA, to the request.
4. The Council must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the FOIA and may be dealt with as a contempt of court.

Request and response

5. On 15 January 2021, the complainant made two information requests to the Council in the following terms:

"Please provide any information with regards to cycle and walking audits of Retford, by the planning team or of WSG, for the past 2 years. As well as which council departments have been sent or have received copies."

And:

"Please provide any information submitted, to support the Green Flag award for Kings Park, Retford, in particular accessibility for all abilities, for the past two award periods."

6. The Council had failed to provide a substantive response by the date of this notice.

Scope of the case

7. The complainant contacted the Commissioner on 3 March 2021 to complain about the failure, by the Council, to respond to the requests.
8. In line with her usual practice, the Commissioner contacted the Council on 17 March 2021 to highlight the outstanding response. She requested that the Council respond to the requests within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The scope of this notice and the following analysis is to consider whether the Council has complied with section 10 of the FOIA.

Reasons for decision

10. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) *to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) *if that is the case, to have that information communicated to him.*

11. Section 8(1) of the FOIA states:

In this Act any reference to a "request for information" is a reference to such a request which –

- (a) is in writing,*
- (b) states the name of the applicant and an address for correspondence, and*
- (c) describes the information requested.*

12. The Commissioner considers that the request in question fulfilled these criteria and therefore constituted a valid request for recorded information under the FOIA.

13. Section 10 of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"

14. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the requests within 20 working days, the Council has breached section 10 of the FOIA.

Other matters

15. The Commissioner wishes to place on record her understanding of the immense pressures placed on public authorities during the coronavirus pandemic. She is sympathetic to the difficult decisions such authorities must make, between prioritising front-line services and continuing to meet their obligations under the FOIA.
