2. The Commissioner's decision is that St Ive Parish Council (the Council) has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.

#### **Request and response**

---

5. On 29 September 2022, the complainant wrote to the Council and requested information in the following terms:

"Please could you supply copies of all agendas (including for cancelled meetings) and minutes for all St Ive Parish Council meetings for 2022 - this is full parish council meetings, and meetings of individual committees (including Planning and Finance for February

2022) plus the agenda and minutes of the last Neighbourhood Development Plan committee.

The matter regarding the publication of agendas and minutes on the St Ive Parish Council website, for all parishioners to view, has to be raised with the Local Government and Social Care Ombudsman."

6. The Council have not acknowledged nor provided a substantive response to date.

### **Scope of the case**

---

7. The complainant contacted the Commissioner on 15 August 2022 to complain about the Council's failure to respond to their request.
8. The Commissioner requested the complainant resubmit a clear request for information due to the original request not being valid under section 8 FOIA.
9. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

### **Reasons for decision**

---

10. Section 1(1) of FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

11. Section 10(1) of FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt".

12. On 2 November 2022 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
13. Despite this intervention the Council has failed to respond to the complainant.
14. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
