Request and response

5. On 27 January 2022, the complainant wrote to the Trust and requested information in the following terms:

“Dear FOI Officer,

Under the Freedom of Information Act 2000, I would like to request:

A copy of all correspondence between the Spectrum 10K research project and Norfolk and Norwich University NHS Foundation Trust.

Should this request not fall within the scope of the Act, need refining or requires further clarification. please contact me on the below email as soon as possible to discuss how this may be amended.

I would also be grateful if you could please confirm receipt of this email and request.

Many thanks and I look forward to hearing from you within 20 working days - as stated in the Act.”

6. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 2 March 2022 to complain about the Trust’s failure to respond to their request.
8. The Commissioner has considered whether the Trust has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

9. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
11. On 8 March 2022 the Commissioner wrote to the Trust, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
12. Despite this intervention the Trust has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the Trust did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Trust has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
