

## **Freedom of Information Act 2000 (FOIA)**

### **Decision notice**

**Date:** 10 March 2023

**Public Authority:** Commissioner of Police of the Metropolis  
**Address:** New Scotland Yard  
Broadway  
London  
SW1H 0BG

#### **Decision (including any steps ordered)**

---

1. The complainant requested information relating to major incidents concerning Connect software by the Commissioner of Police of the Metropolis (the MPS). By the date of this notice the MPS had not issued a substantive response to this request.
2. The Commissioner's decision is that the MPS has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the MPS to take the following step to ensure compliance with the legislation.
  - The MPS must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The MPS must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

#### **Request and response**

---

5. On 12 January 2023, the complainant wrote to the MPS and requested information in the following terms:

“Please provide me with the following information:

1. The number of critical or major incidents declared relating to CONNECT software by any level of officer at any time since the release of CONNECT to general MPS use.
2. Those critical or major incidents split into BCU
3. The date those critical or major incidents were declared and the date they were resolved” (sic)

6. The MPS acknowledged the request on 16 January 2023. To date, a substantive response has not been issued.

### **Scope of the case**

---

7. The complainant contacted the Commissioner on 13 February 2023 to complain about the MPS’s failure to respond to their request.
8. The Commissioner has considered whether the MPS has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

### **Reasons for decision**

---

9. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

10. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
11. On 21 February 2023, the Commissioner wrote to the MPS, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.

12. Despite this intervention, the MPS has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the MPS did not deal with the request for information in accordance with FOIA. The Commissioner finds that the MPS has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
