

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 17 April 2023

Public Authority: Medway Council

Address: Gun Wharf
Dock Road
Chatham
Kent
ME4 4TR

Decision (including any steps ordered)

1. The complainant requested a copy of the tenancy agreements for some playing fields in Cliffe. By the date of this notice Medway Council ("the Council") had not issued a substantive response to this request.
2. The Commissioner's decision is that the Council has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following step to ensure compliance with the legislation.
 - The Council must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Council must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 1 September 2022, the complainant wrote to the Council and requested information in the following terms:

“Please can you provide a copy of the tenancy agreement (redact commercially sensitive information) for the APCM playing fields in Cliffe (ME3) including any land registry reference details?”
6. The Council acknowledged the request on 6 September 2022 and asked for clarification which the complainant provided on 11 and 13 September 2022. To date, a substantive response has not been issued.

Reasons for decision

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

 - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
 - (b) if that is the case, to have that information communicated to him.”
8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
9. On 3 April 2023 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
10. Despite this intervention, the Council has failed to respond to the complainant.
11. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
