Decision notice

Date: 12 June 2023

Public Authority: Chief Constable of Sussex Police
Address: Malling House
Lewes
East Sussex
BN7 2DZ

Decision (including any steps ordered)

1. The complainant requested information regarding the Missing Persons' team. By the date of this notice Sussex Police ("the Constabulary") had not issued a substantive response to this request.
2. The Commissioner's decision is that the Constabulary has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Constabulary to take the following step to ensure compliance with the legislation.
 - the Constabulary must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Constabulary must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 16 March 2023, the complainant wrote to the Constabulary and requested information in the following terms:

“I understand that Sussex Police has a dedicated unit within its Missing Persons’ team focused solely on locating missing unaccompanied asylum-seeking children. I would like to request the following information under the Freedom of Information Act:

 1. When was the unit set up and what is its remit?
 2. How many officers work in the unit?
 3. What is the annual budget for the unit?
 4. How many unresolved cases is it currently dealing with?”
6. The Constabulary acknowledged the request on 16 March 2023. To date, a substantive response has not been issued.

Reasons for decision

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

 - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
 - (b) if that is the case, to have that information communicated to him.”
8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
9. On 19 May 2023 the Commissioner wrote to the Constabulary, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
10. Despite this intervention the Constabulary has failed to respond to the complainant.
11. From the evidence provided to the Commissioner in this case, it is clear that the Constabulary did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Constabulary has breached section 10(1) by failing to respond to the request within
