### **Decision notice**

**Date:** 16 June 2023

**Public Authority:** Chief Constable of Kent Police  
**Address:** Sutton Road  
Maidstone  
Kent  
ME15 9BZ

#### **Decision (including any steps ordered)**

---

1. The complainant requested copies of all IPCO (Investigatory Powers Commissioner's Office) inspection reports provided to Kent Police since 1 January 2018. By the date of this notice, Kent Police had not issued a substantive response to this request.
2. The Commissioner's decision is that Kent Police has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires Kent Police to take the following step to ensure compliance with the legislation.
  - Kent Police must provide a substantive response to the request in accordance with its obligations under FOIA.
4. Kent Police must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

## Request and response

---

5. On 9 March 2023, the complainant wrote to Kent Police and requested information in the following terms:

“Please accept this request under the Freedom of Information Act. I’m seeking:

Copies of all IPCO (Investigatory Powers Commissioner’s Office) inspection reports provided to Kent Police since 1 January 2018.”
6. On 21 April 2023, Kent Police apologised for the delay in providing a response to the request. To date, a substantive response has not been issued.

## Reasons for decision

---

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

  - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
  - (b) if that is the case, to have that information communicated to him.”
8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
9. On 19 May 2023 the Commissioner wrote to Kent Police, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
10. Despite this intervention, Kent Police has failed to respond to the complainant.
11. From the evidence provided to the Commissioner in this case, it is clear that Kent Police did not deal with the request for information in accordance with FOIA. The Commissioner finds that Kent Police has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
