## **Request and response**

---

5. On 12 January 2024, the complainant wrote to the public authority and requested information in the following terms:

“Please also disclose all records held in relation to the FCDO 'whistleblower' function. This should include; policies, processes, procedures, guides and materials that the FCDO follow/consider in relation to whistleblowing to/within the FCDO. This should also detail each stage of the whistleblowing and how it is treated.

Please disclose all records held in relation to the FCDO 'Reporting Concern' function. This should include; policies, processes, procedures, guides and materials that the FCDO follow/consider in relation to when a concern is reported to/within the FCDO. This should also detail each stage of the concern and how it is treated.”

## **Reasons for decision**

---

6. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
7. On 2 May 2024 the Commissioner wrote to the public authority, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
8. Despite this intervention the public authority has failed to respond to the complainant.
9. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with FOIA. The Commissioner finds that the public authority has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
