PATENTS ACT 1977

PARTIES Cambridge Consultants Limited,
Roger Fane Sewell, Robert Jones
and Patrick Edward Luffman

ISSUE Mention of additional inventors for
European Patent (UK) No. 1058879
under Section 13(1)

HEARING OFFICER S M Williams

DECISION

- 1 European Patent (UK) No. 1058879 names one inventor, Roger Fane Sewell.
- 2 Robert Jones and Patrick Edward Luffman have made separate applications under section 13(1) of the Act to the effect that they ought also to have been mentioned as inventors in the EP (UK) patent. In a telephone conversation with Mr Mackenzie, the patent agent acting on behalf of the applicants, it was agreed that the applications could be consolidated.
- 3 The patent proprietors have confirmed in writing that they consent to the applications filed by Robert Jones and Patrick Edward Luffman. Roger Fane Sewell has also provided written consent to the applications. For their part, Robert Jones and Patrick Edward Luffman have also provided written consent to each others application. I therefore conclude that all the relevant parties agree that Robert Jones and Patrick Edward Luffman should be named as joint inventors.
- 4 Accordingly I find that Robert Jones and Patrick Edward Luffman should be mentioned as joint inventors in the granted EP (UK) patent and I direct, in accordance with rule 14(5), that an addendum slip mentioning them as joint inventors be prepared for the granted patent for the invention.
