### DECISION

- 1 European Patent (UK) No. 0749441 names one inventor, Robert A Murgita.
- 2 Richard Boismenu has now made an application in accordance with section 13(1) of the Act to the effect that he ought also to have been mentioned as an inventor.
- 3 Timothy Huot, President of the patent proprietor Martinex R & D Inc, has provided written consent to the application on behalf of the patent proprietor. Robert A Murgita has also confirmed in writing that he consents to the application filed by Richard Boismenu. I therefore conclude that the relevant parties agree that Richard Boismenu should also be named as an inventor.
- 4 Accordingly I find that Richard Boismenu should be mentioned as a joint inventor in the granted EP (UK) patent and I direct, in accordance with rule 14(5), that an addendum slip mentioning him as a joint inventor be prepared for the granted patent for the invention.
