PROPRIETOR Freshorize Limited

ISSUE Whether Patent Number GB2368285 should
 be revoked under Section 72

DECISION

- 1 An application for Revocation of the above granted patent was filed on 14 March 2008 by Malton Inflight Limited.
- 2 The applicants for revocation state in their letter dated 23 December 2008 that they no longer wish to pursue the application.
- 3 The examiner considered whether there were any questions remaining that the comptroller should consider in the public interest and consequently advised the proprietor of his observations in Official letter dated 23 April 2009. The proprietor submitted observations in response in their letter dated 20 May 2009.
- 4 Having considered the objections raised by the proprietor I do not believe it is necessary to pursue revocation in the public interest.

Appeal

- 5 Under the Practice Direction to Part 52 of the Civil Procedure Rules, any appeal must be lodged within 28 days.
