PATENTS ACT 1977

PARTIES	SeeReal Technologies S.A., Alexander Schwerdtner and Robert Missbach
ISSUE	Mention of additional inventor for patent number GB 2452360 under Section 13(1)
HEARING OFFICER	S M Williams

DECISION

- 1 Patents Form 7 names one inventor, Robert Missbach.
- 2 SeeReal Technologies S.A., the patent proprietor, has now made an application under rule 10(2) of the Patents Rules 2007 to the effect that Alexander Schwerdtner should also have been named as an inventor.
- 3 Robert Missbach has provided written consent to the application. For his part, Alexander Schwerdtner has also filed written consent and has confirmed that he should be named as a joint inventor. I therefore conclude that all relevant parties agree that Alexander Schwerdtner should also be named as an inventor.
- 4 Accordingly I find that Alexander Schwerdtner should be mentioned as a joint inventor along with Robert Missbach in the published patent application and granted patent for the invention. I also direct, in accordance with rule 10(1), that an addendum slip mentioning Alexander Schwerdtner as an inventor be prepared for the published patent application and granted patent for the invention.
