DECISION

An application under section 72 before the comptroller, to revoke EP2893714, was filed on 10 February 2021.

In an email dated 9 April 2021, the proprietor refers to the transfer of the revocation proceedings to the High Court for consolidation with IL-2021-000007.

The claimant agrees to the transfer of the revocation proceedings.

In the circumstances of this case, i.e. the consent of both parties and the parallel proceedings before the High Court, I am satisfied that the comptroller should decline to deal with the application for revocation and the Court should decide the question of invalidity.

In accordance with section 72(7), the comptroller declines to deal with the application.
