HEARING OFFICER	Susan Eaves

### DECISION

- 1 Quantum Tuner Limited the patent proprietor, has filed an application in accordance with rule 10(2) of the Patents Rules 2007 to the effect that Stephen Marshall-Rees should have been mentioned as joint inventor.
- 2 Quantum Tuner Limited the patent proprietor and Errol Kennedy the currently named inventor, have each filed written consent in support of the application. Stephen Marshall-Rees has also consented to being mentioned as joint inventor. As such the application is treated as uncontested. I therefore conclude that Stephen Marshall-Rees should be named as joint inventor along with Errol Kennedy.
- 3 Accordingly I find that Stephen Marshall-Rees should be mentioned as joint inventor in published patent application GB2568911. I therefore direct, in accordance with rule 10(1), that an addendum slip be prepared to reflect this for the published patent application.
