

Vol III

42 1948

No Distinction as regards the principle
of construction between leg. & Executive

[Even there - the question is whether the
rule is in dubio]

71

we should construe ~~the rule~~ on the
basis of validity. Supreme looks 'construction
as superior to 2. 1911 53 L.R. 1000)

The Reality of the situation -

The authorities referred to reports
Hydro-electric

Safety -

Lord Simon

Construction unknown to
International law. To appear
to say that the law applicable
is international law (Mandates)
persons of a special kind
as per the Great Britain

Assuming that the Les Amis' Island is
away, the question really is:

2) Whether any established Principle of
Inheritance can be shown to exist.

2 Peoples 1) It must be accepted by the Tribal
members.

2) Land Bank to be used according to
Plan.

3) Mandating power to be given
on a long term basis.

3) Wine, Parachute & guns —
— as a state

Melton 1) Facts bear the burden the ~~burden~~
Regulator

2) ~~The~~ ~~burden~~ that he did
~~not~~ involve any relation
by ~~promote~~ ~~and~~ ~~comes~~
by the books read by his Queen

3) Decisions to have abated
~~to~~ ~~may~~ ~~have~~
Can ~~be~~ it be right to

has burden : Extreme and burden the
right has

1) Regulation has not in making
Construction is clear - The State
is liable to forfeiture

2) Boards of Intervenor and

Melton owner to grant as
different to limit it the Patrol
