40. Where it appears to any local authority that any house or part thereof, or any article of bedding or clothing therein, is in such a filthy or unwholesome condition that the health of any person is affected or endangered thereby, or that the whitewashing, cleansing or purifying of any house or part thereof, or any article of bedding or clothing therein, would tend to prevent or check infectious disease, the local authority shall give notice in writing to the owner or occupier of such house or part thereof to whitewash, cleanse, or purify the same, or any such article, as the case may require. Power to make sewers. Sewers to be cleansed.

103. The local authority shall have power to construct within their district, and also when necessary for the purpose of outfall or distribution or disposal or treatment of sewage, without their district, such sewers as they may think necessary for keeping their district properly cleansed and drained, and may carry such sewers through, across, or under any public or other road, or any street or place, or under any cellar or vault which may be under the foot pavement or carriageway of any street or road, and after reasonable notice in writing (if upon the report of a surveyor it should appear to be necessary), into, through, or under any lands whatsoever, and from time to time to enlarge, lessen, alter, arch over or otherwise improve, or to close up or destroy, all sewers vested in them, provided no nuisance is created by such operations; and if any person is thereby deprived of the lawful use of any sewer, the local authority shall provide another sufficiently effectual for his use. The local authority shall cause their sewers to be so constructed, maintained, kept, and cleansed as not to be a nuisance, and for the purpose of cleansing and emptying them may construct and place, either above or under ground, such reservoirs, sluices, engines, or other works as may be necessary, and may, subject to the provisions of the Rivers Pollution Prevention Acts, cause such sewers to communicate with and be emptied into such places as may be fit and necessary either within their district, or, if necessary for the purpose of outfall or distribution or disposal or treatment of sewage, without their district, and to cause the sewage and refuse therefrom to be collected for sale or for any purpose whatsoever, but so as not to create a nuisance.

104. A local authority shall, three months at least before commencing under the provisions of this Act the construction of any sewer or other work for sewage purposes without their district, give notice of the intended work by advertisement in one or more newspapers circulating in the district, or by the posting of handbills throughout the district where the work is to be made. Such notice shall describe the nature of the intended work, and shall state the intended termini thereof, and the names of the parishes and the public roads and streets and other lands (if any) through, across, under, or on which the work is to be made, and shall name a place where a plan of the intended work is open for inspection at all reasonable hours; and a copy of such notice shall be served on the owners or reputed owners, tenants or reputed tenants, and occupiers of the said lands, and on the local authority and county council where such district is situate.

A.D. 1897.

Notice to be given before commencing sewage works without district.

105. If any such owner, tenant, or occupier, or any such local authority or county council, or any other owner, tenant, or occupier who would be affected by the intended work, objects to such work and serves notice in writing of such objection on the local authority at any time within the said three months, the intended work shall not be commenced without the sanction of the Board after such inquiry as herein-after mentioned, unless such objection is withdrawn.

In case of objection, work not to be commenced without sanction of Board.

106. The Board may, on application of the local authority desirous of constructing said work, appoint an inspector to make inquiry on the spot into the propriety of the intended work and into the objections thereto, and to report to the Board on the matters with respect to which such inquiry was directed, and on receiving the report of such inspector the Board may make an order disallowing or allowing, with such modifications (if any) as they may deem necessary, the intended work.

Inspector to hold inquiry and report to Board.

107. Where any sewer shall pass under or across, or in any way affect any railway or canal, or any bridge, tunnel, or other work in connection therewith, the following provisions for the protection of such railway or canal, or bridge, tunnel, or other work, shall apply and have effect:—

Protection for railways, canals, &c.

- (1.) The whole works connected with such sewer, so far as affecting any railway or canal, or bridge, tunnel, or other work, shall be executed and thereafter maintained under the superintendence and to the reasonable satisfaction of the engineer of the railway or canal company, and according to plans and specifications to be previously submitted to such engineer and approved by him in writing. Provided that if such engineer shall not have expressed his approval or disapproval of such plans and specifications within fourteen days after the same shall have been submitted to him, he shall be deemed to have approved thereof;
- (2.) Such works, and any alteration which it may at any time be necessary to make in such works, may be executed either by the local authority or by the railway or canal company at the option of the engineer of the railway or canal company;

A.D. 1897.

(3.) In the event of the local authority and the engineer of the railway or canal company differing in opinion in regard to any works affecting the railway, or canal, or bridge, tunnel, or other work, or as to the mode of carrying out such works, or otherwise in relation thereto, such difference shall, on the application of the local authority, or of the railway or canal company, be referred to an engineer to be appointed by the sheriff, and shall be decided by the sheriff upon the report of such engineer, and such decision shall be final.

Powers of utilizing sewage.

108. The local authority may from time to time, for the purpose of utilizing sewage, agree with any person as to the supply of such sewage or the distribution or disposal or treatment thereof over land, and as to the works to be made for the purpose of such supply or distribution or disposal, or treatment, and as to the parties to execute the same and to bear the costs thereof, and as to the sums of money, if any, to be paid for that supply; provided that no contract shall be made for the supply of sewage for a period exceeding five years, unless with the authority of the Board, and not for any period exceeding twenty-five years; and the local authority may, in terms of the provisions of sections one hundred and forty-four and one hundred and forty-five of this Act, contract for, purchase, or take on lease any lands, buildings, engines, materials, or apparatus for the purpose of receiving, storing, disinfecting, distributing, or disposing of or treating sewage.

Power of entry.

109. In case it shall become necessary to enter, examine, or lay open any lands or premises for the purpose of making plans, surveying, measuring, taking levels, examining works, ascertaining the course of sewers or drains, making or repairing, altering or enlarging sewers or drains, or other purposes ancillary to the powers herein given as to sewers and drains, and the owner or occupier of premises refuses or withholds access and leave to perform the said operations, the local authority may, after written notice to such owner and occupier, apply to the sheriff, who, if no sufficient cause be shown to the contrary, shall grant warrant to the local authority, their officers and others thereby authorised, to enter and do all or any of the works or operations foresaid at all reasonable times in the daytime.

Power to drain into sewers of local authority.

110. Any owner or occupier of premises within the district of a local authority liable for the public health general assessment or special sewer assessment shall be entitled to cause his drains to empty into the sewers of such local authority on condition of his giving twenty days previous notice of his intention so to do to the local authority, and of complying with their regulations in respect of the mode in which the communications between such drains and sewers are to be made, and subject to the control of any person who may be appointed by the local authority to superintend the making of such communications. Provided always that the sewage so emptied or discharged into the sewers is not of a nature to cause damage to the structure of the sewer or, by admixture with other sewage therein, to cause a nuisance.

111. Any owner or occupier of premises beyond the limits of the district of a local authority or within said limits who is not liable for public health general assessment or special sewer assessment may cause any sewer or drain from such premises to communicate with any sewer of the local authority; provided always, that such sewer of the local authority and any works connected therewith are of sufficient capacity and otherwise suitable for receiving such additional drainage; and that upon such terms and conditions as may be agreed upon between such owner or occupier and such local authority, and any dispute which may arise under this section shall be determined summarily by the sheriff. Provided always that the additional sewage so to be emptied or discharged into the sewers is not of a nature to cause damage to the structure of the sewer or, by admixture with other sewage therein, to cause a nuisance.

A.D. 1897.
Use of sewers
by persons
beyond district.

112. Every person, not being authorised by the local authority, who shall make any drain into any sewer vested in the local authority shall be liable in a penalty not exceeding five pounds, and the local authority may close any communication between a drain and sewer made in contravention of this section, and may recover in a summary manner from the person so offending any expenses incurred by them.

Penalty for
making un-
authorised
drains.

113. Before entering into any contract for executing any such work as herein-before or after mentioned, falling under this part of this Act, or connected with sewage or drainage, if the expense thereof may exceed thirty pounds, the local authority shall procure from a surveyor an estimate of the probable expense of constructing the same in a substantial manner, and of the yearly expense of maintaining the same in repair; and such surveyor shall accompany such estimate with a report as to the most advantageous mode of constructing such work, whether under a contract for constructing the same merely, or a contract for constructing the same and maintaining it in repair during a given term of years.

Estimates
for work.

114. Unless with consent of the local authority, no building shall be erected over any sewer belonging to the local authority, and no vault, arch, or cellar, or subway, or other structure shall be made, and no pipes of any kind shall be laid so as to interfere with any such sewer.

Not to build
over sewers,
&c.

115. All sewers and drains, whether public or private, shall be sufficiently trapped and ventilated by the persons to whom they severally belong to the satisfaction of the local authority.

Sewers to
be trapped.

116. The owners or occupiers of distilleries, manufactories, and other works shall be compelled, where possible, to dig, make, and construct pools or reservoirs within their own ground, or as near their works as possible, for receiving and depositing the refuse of such works so far as offensive or injurious or dangerous to the health of those living in the vicinity thereof, or to use the best practicable means for rendering the same inoffensive or innocuous before discharging it into any river, stream, ditch, sewer, or other channel.

Distilleries, &c.
to deposit
refuse.

A.D. 1897.

Prohibition
against
interrupting
free flow of
sewage.

117.—(1.) It shall not be lawful for any person to throw or suffer to be thrown or to pass into any sewer of a local authority, or any drain communicating therewith, any matter or substance by which the free flow of the sewage or surface or storm water may be interfered with, or by which any such sewer or drain may be injured.

(2.) Every person offending against this enactment shall be liable to a penalty not exceeding ten pounds, and to a daily penalty not exceeding twenty shillings.

Placing
carcasses in
running
water, &c.

118. It shall not be lawful for any person to throw, or suffer to be thrown into any running water, spring, well, lake, pool, reservoir, drain, or ditch, the carcase of any animal or part thereof, and any person offending against this section shall be liable to a penalty not exceeding ten pounds.

Drain dis-
charging
below low-
water mark.

119. If the local authority shall consider it necessary for public health that any drain should discharge itself below low-water mark, they shall be entitled, with the consent of the Board of Trade and of the Commissioners of Woods and Forests (without prejudice to any question as to the right to the foreshores), to construct the requisite works for that purpose.

As to drainage
of houses.

120. If a house, distillery, manufactory, or other work, within the district of a local authority, is without a drain, or without such drain as is sufficient for effectual drainage, the local authority may, by notice, require the owner of such house, distillery, manufactory, or work, within a reasonable time therein specified, to make a sufficient drain emptying into any sewer which the local authority are entitled to use, and with which the owner is entitled to make a communication, so that such sewer be not more than one hundred yards from the site of the said premises of such owner; but if no such means of drainage are within that distance, then emptying into such covered cesspool or other place, not being under any house, as the local authority may direct; and if the person on whom such notice is served fails to comply with the same, the local authority may, at the expiration of the time specified in the notice, do the work required, and the expenses incurred by them in so doing may be recovered from such owner in a summary manner.

Provided that where in the opinion of the local authority greater expense would be incurred in causing the drains of two or more houses to empty into an existing sewer pursuant to this section than in constructing a new sewer and causing such drains to empty therein, the local authority may construct such sewer and require the owners of such houses to cause their drains to empty therein, and may apportion as they deem just the expenses of construction of such sewer among the owners of the several houses, and recover in a summary manner the sums apportioned from such owners, or in case of dispute the matter shall be determined summarily by the sheriff.

Local
authorities
may combine
as to sewerage.

121. Two or more local authorities may, with the sanction of the Board, combine together for the purpose of executing or acquiring an interest in or maintaining any works by this Act

or any other Act authorised in regard to sewerage or drainage that, may be for the benefit of their respective districts; and all moneys which they may agree to contribute for the execution or acquisition or maintenance of such common works shall, in the case of each local authority, be deemed to be expenses incurred by them in the execution, acquisition, or maintenance of works within their district.

122.—(1.) Upon requisition to that effect made in writing by a parish council or by not fewer than ten ratepayers within the district of a local authority not being the local authority of a burgh, the local authority shall be bound to meet, after twenty-one days notice, or, if the local authority itself so resolve, it may meet after twenty-one days notice, and shall, whether sewers or drains have been already constructed or not, consider the propriety of—

Special
drainage
districts.

- (a) forming part of their district into a special drainage district; or
- (b) enlarging or limiting the boundaries of a special drainage district; or
- (c) combining a special drainage district with another special drainage district; or
- (d) enlarging or limiting the boundaries of both or either of such special drainage districts and combining the same or parts thereof; or
- (e) determining that any special drainage district shall cease to exist as a special drainage district, or that any such combination shall cease;

and the resolution of the local authority shall determine all questions regarding the payment of any debt which may affect any district or special drainage district, and the right to impose and the obligation to pay any assessment affected by such determination, and shall fix the date at which such determination shall take effect; and such resolution shall be published in one or more newspapers circulating in the district, or by the posting of handbills throughout the district, and a copy of said resolution shall be forthwith transmitted to the Board, and, where the local authority is a district committee, to the county council; and the production of such newspaper or handbill, or a certificate under the hand of the clerk of the local authority (whose signature need not be proved), shall be sufficient evidence of such resolution; and within twenty-one days after the date of the first publication of such resolution it shall be competent for any person interested to appeal against the resolution, whatever its terms may be, to the sheriff, and the sheriff, not being a sheriff substitute resident within the district, may either approve or disapprove of such resolution, and if he disapproves thereof he may either find that no special drainage district should be formed, or may enlarge or limit the special district as defined by the resolution of the local authority, or may find that a special drainage district should be formed and may define the limits thereof, or may find that such special drainage district or part thereof shall be combined as

A.D. 1897. prayed, or that such combination shall cease, or that such special drainage district or districts shall, as such, cease to exist; and the decision of the sheriff shall be binding, and shall be final, except where it is pronounced by a sheriff substitute, in which case it may be appealed to the sheriff.

(2.) The order of the sheriff shall determine all questions regarding the payment of any debt which may affect any district or special drainage district, and the right to impose, and the obligation to pay, any assessment affected by his determination, and shall fix the date at which such determination shall take effect, and a copy of any order pronounced by the sheriff shall be forthwith published in one or more newspapers circulating in the district, or by the posting of handbills throughout the district, and transmitted to the Board and to the county council.

52 & 53 Vict.
c. 50.

(3.) Where a district committee is the local authority, notwithstanding the provisions of section seventeen, sub-section two, sub-head (c) of the Local Government (Scotland) Act, 1889, it shall not be competent to appeal to the county council against any resolution of the district committee under this section.

41 & 42 Vict.
c. 51.

(4.) Where a special drainage district has been formed, or may hereafter be formed under the provisions of this Act, the district committee of the district in which such special drainage district is or may be situated, or the county council where a county is not divided into districts, shall in their discretion have power to provide for the drainage of the highways and footpaths under their management and control within such special drainage district, or to pay or contribute out of the assessments raised under the Roads and Bridges (Scotland) Act, 1878, a proportion of the cost of providing and maintaining sewers sufficient for the drainage of such highways and footpaths.

57 & 58 Vict.
c. 58.

(5.) Nothing contained in this Act shall prejudice the provisions of sub-sections one and two of section eighty-one of the Local Government (Scotland) Act, 1889, as amended by section forty-four of the Local Government (Scotland) Act, 1894.

Works of
distribution
of sewage to
be deemed a
land im-
provement.
27 & 28 Vict.
c. 114.

123. The making of works of distribution and service for the supply of sewage to lands for agricultural purposes shall be deemed an improvement of land authorised by the Improvement of Land Act, 1864, and the provisions of that Act shall apply accordingly.

Water Supply.

Supply of
water for
burghs.
55 & 56 Vict.
c. 55.

124. With respect to burghs subject to the provisions of the Burgh Police (Scotland) Act, 1892, or having a local Act for police or other purposes nothing contained in this Act shall prejudice the provisions of any of the said Acts in regard to the provision of a supply of water for the domestic use of the inhabitants and for sanitary and other purposes. Provided that in the Burgh Police (Scotland) Act, 1892, and in the Lands Clauses Acts, so far as incorporated therewith, or authorised thereby to be put in force the term "land" shall include water and any right or servitude to or over land or water.

A.D. 1897.

125. If any occupied house within the district of any local authority other than the local authority of a burgh is without a proper supply of wholesome water at or reasonably near the same, the local authority shall require the owner to obtain such supply and to do all such works as may be necessary for that purpose, and failing his doing so, within twelve months after due notice, the local authority may themselves obtain such supply and for that purpose may use their powers of acquiring land by agreement or otherwise under this Act; and may, for the purpose of obtaining such supply, enter upon the premises and execute all such works as may be necessary; and the local authority may recover in a summary manner from the owner the whole or a reasonable part of the expenses incurred by them under this section: Provided that where the owners of two or more houses have failed to comply with the requirements of the notice served on them under this section, and the local authority might under this Act execute the necessary works for providing a water supply for each house, the local authority may, if it appears to them desirable and no greater expense would be occasioned thereby, execute works for the joint supply of water to those houses, and apportion the expenses as shall be just, and further provided that if any question shall arise under this section it shall be determined summarily by the sheriff who shall have regard to all the circumstances of the case, and whose decision shall be final. Provided that nothing in this section shall relieve the local authority from the duty of providing their district or any part thereof with a supply of water, where a general scheme for such supply is required, and can be carried out at a reasonable cost.

Local authority to require water to be supplied to houses in certain cases.

126. With respect to districts other than burghs the following provisions shall have effect:—

Supply of water for districts other than burghs.

(1.) The local authority, if they think it expedient so to do, may acquire and provide or arrange for a supply of water for the domestic use of the inhabitants and for sanitary and other purposes, and for that purpose may acquire and conduct water from any lake, river, spring, or stream, may dig wells, make and maintain reservoirs, may purchase, take upon lease, hire, construct, lay down, and maintain such waterworks, pipes, and premises, and do and execute all such works, matters, and things as shall be necessary and proper for the aforesaid purpose, and may themselves furnish a supply of water, or contract or arrange with any other person to furnish the same; and for the purposes aforesaid the local authority shall be held to have all the powers and rights given to and be subject to all the obligations imposed on the promoters of undertakings by the Lands Clauses Acts as amended by this Act: Provided also, that it shall not be lawful for the local authority to provide or supply water within any area which any local authority or any company, established by Act of Parliament or empowered by or authorised by Provisional Order, is authorised to supply with water, unless the local authority shall previously have purchased or acquired the undertaking of such local authority or company.

A.D. 1897.

(2.) The local authority, if they have any surplus water after fully supplying what is required for domestic and sanitary purposes, may supply water from such surplus to any public baths and wash-houses, or for trading or manufacturing and all other than domestic purposes, on such terms and conditions as may be agreed on between the local authority and the persons desirous of being so supplied. Provided that when water is thus supplied from such surplus it shall not be lawful for the local authority to charge the persons so supplied both with the portion of the special water assessment applicable to the buildings or premises supplied, and also for the supply of water obtained; but the local authority may either charge the said assessment leviable on such buildings or premises, or charge for the supply of water furnished to the same as they shall think fit, and the local authority shall have the same remedies and powers of recovering payment of such water rents or payments as are herein-after provided with regard to the special water assessment.

(3.) The local authority may cause all existing public cisterns, pumps, wells, reservoirs, conduits, aqueducts, and works used for the gratuitous supply of water to the inhabitants to be continued, maintained, and plentifully supplied with water, or may substitute, maintain, and plentifully supply with water other such works equally convenient; and may, if they shall think fit, provide and gratuitously supply water for any public baths or wash-houses established otherwise than for private profit or supported out of any rates.

(4.) The local authority shall have the same powers and be subject to the same restrictions for carrying water mains within their district as they have and are subject to for carrying sewers within their district by the law for the time being in force.

Penalty for causing water to be corrupted by gas washings, &c.

127. Any person engaged in the manufacture of gas, naphtha, vitriol, paraffin, or dye stuffs, or any other deleterious substance, or in any trade in which the refuse produced in any such manufacture is used, who shall at any time cause or suffer to be brought or to flow into any stream, reservoir, aqueduct, well, or pond, or place for water, constructed or used for the supply of water for domestic purposes, or into any pipe or drain communicating therewith, any product, washing, or other substance produced in any such manufacture, or shall wilfully do any act connected with any such manufacture, whereby the water in any such stream, reservoir, aqueduct, well, pond, or place for water shall be fouled, and any person who shall wilfully do or permit to be done any act whereby the water in any stream, reservoir, aqueduct, well, pond, or place constructed or used for the supply of water for drinking or other domestic purposes shall be fouled, shall forfeit for every such offence a sum not exceeding fifty pounds.

Penalties to be sued for within six months.

128. Such penalty may be recovered, with expenses, by the person into whose water such product, washing, or other substance shall be conveyed or shall flow, or whose water shall be fouled by any such act as aforesaid, or in default of proceedings by such person, after notice to him from the local authority of their intention to proceed for such penalty, or if there be no such person, by the

local authority; but such penalty shall not be recoverable unless it be sued for during the continuance of the offence, or within six months after it shall have ceased. A.D. 1897.

129. In addition to the said penalty (and whether such penalty shall have been recovered or not), the person so offending shall forfeit a sum not exceeding five pounds (to be recovered in the like manner) for each day during which such product, washing, or other substance shall be brought or shall flow as aforesaid, or during which the act by which such water shall be fouled shall continue, after the expiration of twenty-four hours from the time when notice of the offence shall have been served on such person by the local authority, or by the person into whose water such product, washing, or other substance shall be brought or flow, or whose water shall be fouled thereby, and such penalty shall be paid to the local authority or person from whom such notice shall proceed; and all moneys recovered by the local authority under this or the preceding section shall, after payment of any damage caused by the act for which the penalty is imposed, be applied towards defraying the expenses of executing this Act. Daily penalty during continuance of offence.

130. Two or more local authorities may, with the sanction of the Board, combine together for the purpose of executing or acquiring an interest in or maintaining any works by this Act or any other Act authorised in regard to water supply that may be for the benefit of their respective districts; and all moneys which they may agree to contribute for the execution or acquisition or maintenance of such common works shall, in the case of each local authority, be deemed to be expenses incurred by them in the execution, acquisition, or maintenance of works within their district. Local authorities may combine as to water supply.

131.—(1.) Upon requisition to that effect made in writing by a parish council or by not fewer than ten ratepayers within the district, the local authority, not being the local authority of a burgh, shall be bound to meet, after twenty-one days notice, or, if the local authority itself so resolve, it may meet after twenty-one days notice, and shall, whether water supply has been already provided or not, consider the propriety of— Special water supply districts.

- (b) enlarging or limiting the boundaries of a special water supply district; or
- (c) combining a special water supply district with another special water supply district; or

A local authority may for any of the purposes of Part II., Part III., and Part VI. of this Act in terms of the Lands Clauses Acts, and whether by agreement or otherwise, purchase any lands within or without their district, and may by agreement take on lease, sell or exchange any lands within or without their district; they may also buy up any water-mill, dam, or weir, which interferes with the proper drainage of or supply of water to their district. They may also, with the sanction of the Board, sell or let any surplus land, and shall apply the proceeds in such manner, whether to the reduction of debt or otherwise, as the Board shall direct.

Regulations as to compulsory purchase of land, &c.

145. The following regulations shall be observed with respect to the purchase and taking of land otherwise than by agreement by local authorities for the purposes herein-before mentioned:—

(1.) The local authority before applying to the Board for an order empowering them to put in force the powers of the Lands Clauses Acts with respect to the purchase and taking of land otherwise than by agreement shall—

publish once at least in each of two consecutive weeks in some newspaper circulated in the district or some part of the district where the land is proposed to be taken, an advertisement describing shortly the purpose for which it is proposed to be taken, naming a place where a plan of the proposed works and of the lands which may be taken and a book of reference to such plan may be seen at all reasonable hours, and stating the quantity of land they require; and shall further

serve a notice in manner herein-after mentioned on every owner or reputed owner, lessee or reputed lessee, and occupier of such land, defining in each case the particular land intended to be taken, and requiring an answer, stating whether the person so served assents, dissents, or is neuter in respect of taking such land; such notice to be served

by delivery of the same personally to the person on whom it is required to be served, or, if such person is absent abroad, to his agent; or

by leaving the same at the usual or last known place of abode of such person as aforesaid; or

by forwarding the same by post in a registered letter addressed to the usual or last known place of abode of such person.

Upon compliance with the provisions herein-before contained with respect to advertisements and notices, the local authority may, if they shall think fit, present a petition to the Board; the petition shall state the land intended to be taken, and the purposes for which it is required, and the names of the owners, lessees, and occupiers of land who have assented, dissented, or are neuter in respect of the taking of such land, or who have returned no answer to the notice; it shall pray that the local authority may, with reference to such land, be allowed to put in force the powers of the Lands Clauses Acts with respect to the purchase and taking of land otherwise than by agreement, and such prayer shall be supported by such evidence as the Board requires :

(3.) Upon receipt of such petition, and upon due proof of the proper advertisements having been published and notices served, the Board shall take such petition into consideration, and may either dismiss the same or direct an inquiry in the district in which the land is situate, or otherwise inquire as to the propriety of assenting to the prayer of such petition; but until such inquiry has been made in the district after such notice as may be directed by the Board, no Order shall be made affecting any land without the consent of the owners, lessees, and occupiers thereof.

Any such inquiry may be held by a person appointed by the Board in the manner and with the powers herein-before provided, or if the Secretary for Scotland by any writing under his hand shall so direct, such inquiry shall be held by the sheriff, not being a sheriff substitute resident within the district :

(4.) After the completion of the inquiry as last aforesaid, the Board may, by Provisional Order, empower the local authority to put in force, with reference to the land or any part of the land referred to in such Order, the powers of the Lands Clauses Acts with respect to the purchase and taking of land otherwise than by agreement, and may make such determination as they may think fit in regard to the payment of costs by the local authority either to the Board or any person affected by the Order; provision shall be made by such Order for the incorporation therein of the Lands Clauses Acts and (with the necessary modifications) of sections six and seventy to seventy-eight of the Railways Clauses Consolidation (Scotland) Act, 1845. A.D. 1897.

- (5.) If no memorial shall be presented as aforesaid the Order shall become final and have the effect of an Act of Parliament :
- (6.) If a memorial has been presented to the Secretary for Scotland, it shall be lawful for him, as soon as conveniently may be, to submit such Order to Parliament for confirmation, and any Act passed to confirm such Order shall be deemed to be a Public General Act of Parliament :
- (7.) Every Bill for confirming any such Order shall, after the Second Reading in the House in which it originates, be referred to a Select Committee, or, if the two Houses of Parliament think fit so to order, to a Joint Committee :
- (8.) If, before the expiration of seven days after the Second Reading of any such Confirmation Bill in the House in which it originates, a petition is presented against any Order comprised therein, the petitioner shall be allowed to appear and oppose by himself, his agents, and witnesses :
- (9.) The Committee by a majority may award costs, which shall, unless the Committee otherwise direct, include all costs from the date of the memorial :
- (10.) All costs, charges, and expenses incurred in relation to any application for, or the grant of, such Order or Provisional Order shall, to such amount as the Board think proper to direct, become a charge upon the public health general assessment, or special sewer assessment, or special water assessment, levied in the district, or special drainage district or special water supply district, as the case may be, to which such Order or Provisional Order relates :
- (11.)—(a.) Any question of disputed compensation under an Order or Provisional Order made under this section shall be referred to the arbitration of a sole arbiter appointed by the parties, or if the parties do not concur in the appointment of a sole arbiter then, on the application of either of them, by the Board, and the remuneration to be paid to the arbiter shall be fixed by the Board. An arbiter appointed under this subsection shall be deemed to be a sole arbiter within the meaning of the Lands Clauses Acts, and the provisions of those Acts with respect to an arbitration shall apply accordingly ; and the arbiter shall, notwithstanding anything in the said Acts, determine the amount of the expenses in the arbitration, and such determination shall be final ; and
- (b.) In construing for the purposes of this section any Acts incorporated with, or put in force under, this section, this Act, together with any Order or Provisional Order under this section, shall be deemed to be the special Act :
- (12.) At any inquiry or arbitration held under this section, the person or persons holding the inquiry or arbitration shall hear any authorities or parties whose interests would be affected, by themselves or their counsel or agents, and may hear witnesses :
- (13.) The Board shall not make any Order for purchasing the whole or any part of any park, garden, pleasure-ground, or other land required for the amenity or convenience of any dwelling-house, or any land the property of a railway company

or canal company which is or may be required for the purposes of their undertaking, or any land which, in the opinion of the Board, is being held or may be required for the extension of a factory or public work :

- (14.) The Board shall, in making an Order for purchasing land, have regard to the extent of land held in the neighbourhood by any owner, and to the convenience of other property belonging to the same owner, and shall, as far as is practicable, avoid taking an undue or inconvenient quantity of land from any one owner :
- (15.) The expression "Act of Parliament" in the Telegraph Act, 1878, shall include an Order under this section, although such Order may not have been confirmed by Parliament : 41 & 42 Vict. c. 76.
- (16.) The Board shall in their annual report include a statement of any proceedings under this section.

147. In case any local authority shall refuse or neglect to do what is herein or otherwise by law required of them, or in case any obstruction shall arise in the execution of this Act, it shall be lawful for the Board, with the approval of the Lord Advocate, to apply by summary petition to either division of the Court of Session, or during vacation or recess to the Lord Ordinary on the Bills, which division or Lord Ordinary are hereby authorised and directed to do therein and to dispose of the expenses of the proceedings as to the said division or Lord Ordinary shall appear to be just.

Proceedings against several persons included in one demand or complaint shall not lapse by reason of the death of any one or more of such persons, but all such proceedings may be carried on as if the deceased persons had not been originally so included. Constitution of port local authorities.

A.D. 1897. — the local authority of the whole of such port or of any part thereof (in this Act referred to as the "port local authority").

The Board may also by order constitute a joint port local authority for the whole or any part of a port by combining any two or more local authorities having jurisdiction within the proposed area or part thereof to act together for the purposes of this Part of the Act, and may prescribe the mode of such joint action; or by forming a joint port local authority consisting of representative members of any two or more of such local authorities in the same manner. Further the Board may by order constitute a joint port local authority for any two or more ports consisting of representative members of all or any of the local authorities having jurisdiction within such port or any part thereof.

The Board may from time to time alter, vary, renew, or rescind said order, and a copy of said orders when made shall be forthwith laid before both Houses of Parliament.

Any order constituting a port local authority or joint port local authority may assign to such authority any powers, rights, duties, capacities, liabilities and obligations under this Act, and direct the mode in which the expenses of such authority are to be paid, and where such order constitutes a joint port local authority, it may contain all the regulations with respect to the carrying out of the provisions of this Act by such authority.

A port shall mean a port as established for the purposes of the laws relating to the Customs of the United Kingdom.

Jurisdiction of port local authority.

173. Where several local authorities are combined in the district of one port local authority or joint port local authority, the Board may by order declare that one or more of such authorities shall be exempt from contributing to the expenses incurred by such authorities.

176. Where any port local authority, joint port local authority, or other authority, are authorised in pursuance of this Act to proceed in a summary manner to raise within the district of a defaulting authority such sum as may be sufficient to pay any debt due to them, the authority so authorised for the purpose of raising such sum shall, within the district of the defaulting authority, have, so far as relates to the raising such sum, the same powers as if they were the defaulting authority, and as if such sum were expenses properly incurred by the defaulting authority within the district of such authority; and the port local authority, joint port local authority, or other authority, may raise the amount by assessment, in like manner and with all the powers of imposition, levy, and recovery of the defaulting local authority.
