conditions as they think fit, which conditions and the provisions for their enforcement or for the case of their violation shall be as effectual as if they were contained in this Act, and the consent of the Secretary for Scotland shall be necessary before any grant of money is given by way of gift under the provisions of this Act.

(3.) Any person nominated by the Commissioners may, at all reasonable times, and after due notice to the occupier, enter any land occupied by an occupier to whom seed or implements, utensils, machinery, or appliances have been sold or gifted, in order to ascertain whether such seed has been properly sown, or that a proper use is being made of such implements, utensils, machinery, or appliances.

5.—(1.) For the purpose of the purchase of land by the Commissioners (who are hereby authorised to purchase and hold land and dispose thereof as in this Act provided) the Lands Clauses Acts shall be incorporated with this Act, except the provisions of those Acts with respect to the purchase and taking of land otherwise than by agreement; and the provisions of sub-section four of section three of the Allotments (Scotland) Act, 1892, with respect to the settlement of disputed compensation for land, shall apply, with the necessary modifications, as if the Commissioners were therein referred to.

Acquisition,
adaptation,
and disposal
of land.

55 & 56 Vict.
c. 54.

(2.) Any limited owner may sell land to the Commissioners for the purposes of this Act at such a price, or for such consideration, as, having regard to those purposes and to all the circumstances of the case, is deemed reasonable; a limited owner may also, with the sanction of the Local Government Board given under this section, convey the land for that purpose either without payment of any purchase money or compensation, or at a price less than the real value, and may so convey it free of all incumbrances. Provided that the Local Government Board shall not give their sanction under this section unless they are satisfied that the purpose for which the land is conveyed is such as is calculated to benefit the remaining land held by the same title or other land of the same landowner, and provided also that, if the land proposed to be conveyed is subject to incumbrances, the Local Government Board before giving their sanction under this section shall cause notice to be given to the incumbrancers, and shall consider the objections, if any, raised by them.

(3.) The Commissioners may, if they think fit, before disposing of land for the purposes of this Act, adapt the same by dividing and fencing it, making occupation roads, and executing any other works, such as works for the provision of drainage or water supply, which can, in the opinion of the Commissioners, be more economically and efficiently executed for the land as a whole.

(4.) The Commissioners may also, if they think fit, adapt the land for the purposes of this Act by erecting or assisting in erecting thereon such buildings, or making such adaptations of existing buildings, as, in their opinion, are required for the due occupation of the land, and cannot be made by the crofters or cottars or fishermen.

A.D. 1897.

(5.) Where any right of grazing or other similar right is attached to land acquired by the Commissioners for the purposes of this Act, the Commissioners may attach any share of the right to any holding in such manner and subject to such regulations as they think proper.

(6.) The Commissioners may accept any gifts of property, heritable or moveable, for any or all of the purposes for which money is provided by this Act, and apply them according to the directions of the donor, if consistent in their opinion with the purposes on which they apply the said money, and, subject to any such directions, may apply them in like manner as that money.

Security for
and repayment
of loan.

6. Any loan under the provisions of this Act shall be secured by a bond which shall be a charge on the holding in favour of the Commissioners, and shall either be repaid by half-yearly instalments of principal with such interest and within such term (not exceeding a period fixed by the Treasury) from the date of the loan, or at such date thereafter not exceeding eighteen months as may be agreed on, or shall be repaid with such interest and within such term by a terminable annuity payable by half-yearly instalments. The amount for the time being unpaid may at any time be discharged, and any such terminable annuity may at any time be redeemed in accordance with tables fixed by the Commissioners. A certificate by the Secretary of the Commissioners that the whole of the loan has been repaid, or that such terminable annuity has been redeemed, shall, without any other instrument, operate as a discharge of the said loan and extinction of the said terminable annuity, as the case may be, and the registration of such certificate in the register of Sasines shall be equivalent to the registration of a discharge of the said bond.

As to prepara-
tion of titles
connected with
grants of or
loans over
land.

7.—(1.) The Commissioners shall cause to be prepared and duly registered all deeds, writs, and instruments necessary for completing the title to the land disposed of by them, and for securing the payment of any loan over land made by them, and shall include in the grant or loan the cost so incurred, or to be incurred, in accordance with scales set forth in tables fixed by the Commissioners.

(2.) The Commissioners, if they think fit, may from time to time appoint, at their pleasure, a person duly qualified to carry out the provisions of this section, and shall assign to him such salary or remuneration as they may determine.

Supplemental.

8.—(1.) The Commissioners shall submit to the Treasury annually, and at any other time, for any special purpose, in the form fixed by the Treasury, an estimate showing the amount proposed by the Commissioners to be expended, and the purposes for which the same is proposed to be expended, and shall not expend any sums except in accordance with such estimate and for such purposes when approved by the Treasury.

(2.) The Commissioners shall keep such accounts of their receipts and expenditure, and those accounts shall be audited in accordance with such regulations, as the Treasury direct, and be laid before Parliament.

9. The Commissioners shall once in every year make a report A.D. 1897.
