## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order provides for the recognition within Great Britain of certain pharmacy qualifications awarded in Switzerland and in the EEA States other than the United Kingdom. Recognition of the qualifications is subject to specified conditions, which include a procedure for confirming the authenticity of qualifications where there are justified doubts.

Appropriately qualified pharmacists are entitled to be entered in Part 1 of the register established and maintained by the General Pharmaceutical Council under article 19 of the Pharmacy Order 2010 (S.I.2010/231) and so practise as pharmacists in Great Britain, provided their fitness to practise is not impaired and they have paid the appropriate fees.

This Order, and the Pharmacy Order 2010 under which it is made, contain the legislative measures necessary for implementing Council Directive 2005/36/EC concerning the co-ordination of provisions laid down by law, regulation and administrative action in respect of certain activities in the field of pharmacy and the mutual recognition of diplomas, certificates and other evidence of formal qualifications in pharmacy. The legislative measures implementing this Directive in Great Britain were previously partly set out in the Pharmacists and Pharmacy Technicians Order 2007 (S.I.2007/289) which has been revoked by Schedule 4 to the Pharmacy Order 2010.
