## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations restrict flying in specified areas of Wales for reasons of public and flight safety during the Wales Rally GB 2013. During the rally numerous aircraft (fixed and rotary wing) will be involved in the filming and onward relay of data for broadcast. In addition, a number of helicopters will be transporting persons involved in the rally to points along the route. To minimise the risk to members of the public attending the event, it is considered that access to the airspace within which aircraft are flying in connection with the Rally should be restricted as part of the overall safety arrangements for this event. This has been agreed by the Civil Aviation Authority and the Department for Transport.

In relation to the permission mentioned in regulation 3(2)(e) International Motor Sports Limited may be contacted on telephone 07973 505102.

Full details of the airspace restrictions will be promulgated by Aeronautical Information Circular and NOTAM.

Further enquiries of the Civil Aviation Authority can be made to Mr R E J Gratton, Acting Head of Airspace Utilisation, Safety and Airspace Regulation Group telephone 020 7453 6586.
