EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Merchant Shipping
(Accident Reporting and Investigation) Regulations 2012.

Regulation 2(1) is amended to correct the definition of EMCIP.

Regulation 6 is amended to exclude the Maritime and Coastguard Agency from
the requirement in regulation 6(4) to provide a report to the Chief Inspector.

A new paragraph (8) is added to regulation 13 to enable the Chief Inspector to provide information
obtained from voyage data recorders, taken from a ship by an inspector in the course of a safety
investigation, to the ship's owner without the need for the ship's owner to apply to a Court.
