## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on flying in airspace in the vicinity of RAF Fairford, Gloucestershire during the arrival, rehearsals, displays and departure of aircraft participating in the Royal International Air Tattoo (RIAT) 2013, organised by the Royal Air Force Charitable Trust Enterprises and scheduled to take place between 17th and 22nd July 2013.

The flying displays will include flypasts and high speed aerobatics by British and foreign military and civil aircraft and it is anticipated that a large number of members of the public will attend as spectators. In order to provide for the safety of aircraft involved, other aircraft in this extremely busy area and persons on the ground, it is considered that access to the airspace in the vicinity of RAF Fairford during the rehearsals, displays and on the departure day (22nd July) be restricted as provided in regulation 3. This has been agreed with the Civil Aviation Authority and the Department for Transport.

Full details of the airspace restrictions will be promulgated by Aeronautical Information Circular and NOTAM.
