EXPLANATORY NOTE

(This note is not part of the Order)

In England, Wales and Northern Ireland only “designated” Ministers and departments can exercise powers in section 2(2) of the European Communities Act 1972 (c.68) to make orders, rules, regulations and schemes. This is one of a series of Orders by which Ministers and departments are designated for the purposes of section 2(2) in relation to different subject areas.

Article 2 designates the Welsh Ministers so that they may exercise the powers conferred by section 2(2) in relation to public procurement by contracting authorities (as defined in regulation 2 of the Public Contracts Regulations 2015) whose functions are wholly or mainly within the legislative competence of the National Assembly for Wales.

Article 3 provides for territorial restrictions for the Welsh Ministers’ designations.

Article 4 provides that this Order does not restrict the scope of designations in other Orders and allows Ministers and departments designated in relation to the same matters to legislate jointly as well as individually.

Article 5 amends existing designations in relation to the European Parliament and in relation to local elections so that the Chancellor of the Duchy of Lancaster is designated instead of the Lord President of the Council.
