EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make an amendment to the transitional provision included in the Financial Services and Markets Act 2000 (Over the Counter Derivatives, Central Counterparties and Trade Repositories) Regulation 2013 (S.I. 2013/504) (“the Principal Regulations”).

Regulation 25 of the Principal Regulations made amendments to Part 1 of the Banking Act 2009 (c.1) (“the 2009 Act”) to the effect that the special resolution regime provided for in Part 1 of the 2009 Act will apply to “recognised central counterparties” i.e. those central counterparties which are subject to, and recognised pursuant to, the requirements of Regulation (EU) 648/2012 of the European Parliament and of the Council of 4th July 2012 on OTC derivatives, central counterparties and trade repositories (OJ No L 201, 27.7.2012, p 1).

The purpose of these Regulations is to amend the transitional provision in the Principal Regulations with the effect that, from the date upon which these Regulations come into force until the end of the transition period provided for in regulation 52 of the Principal Regulations, the special resolution regime provided for in Part 1 of the 2009 Act will apply to any clearing house incorporated in, or formed under the law of any part of the United Kingdom, that immediately before 15th March 2013 (1) was the subject of a valid recognition order made under Part 18 of the Financial Services and Markets Act 2000 (c.8) and (2) provided clearing services as a central counterparty. The omission of transitional provision to this effect in the Principal Regulations when originally enacted was an error which these Regulations correct.

These Regulations also correct a typographical error in regulation 36 by substituting references to the Uncertificated Securities Regulations 2001 (S.I. 2001/3755) for the incorrect references to those regulations.
