The Treasury have determined that, in relation to Great Britain, regulations 3 to 5 should be made under section 141 of the Administration Act, to amend Part 1 of the Contributions Act by altering the rate of, and small profits threshold for, Class 2 contributions, the amount of a Class 3 contribution and the lower and upper limits of profits to be taken into account for Class 4 contributions.

With a view to adjusting the level at which the National Insurance Fund stands for the time being, and having regard to estimated benefit expenditure for the financial year ending with 31st March 2019, the Treasury think it expedient that regulation 9 of these Regulations should be made under section 2(2) of the 1993 Act.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Social Security Contributions and Benefits Act 1992 (c. 4) and corresponding provisions in the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (c. 7) (“the Acts”), and the Social Security (Contributions) Regulations 2001 (S.I. 2001/1004) (“the Contributions Regulations”). The amendments have effect from 6th April 2018.

Regulation 3 increases the rate at which Class 2 National Insurance contributions (“NICs”) are payable by self-employed earners, specified in section 11(2) and (6) of the Acts, from £2.85 to £2.95 per week. It also increases the small profits threshold specified in section 11(4) of the Acts, which is the minimum amount of profits chargeable to income tax that a self-employed earner must generate to incur liability to Class 2 NICs, from £6,025 to £6,205 per year.

Regulation 4 increases the amount of a voluntary Class 3 NICs, specified in section 13(1) of the Acts, from £14.25 to £14.65.

Regulation 5 increases the lower and upper profits limits for Class 4 NICs specified in sections 15 and 18 of the Acts, between which Class 4 NICs are payable by the self-employed at the main Class 4 percentage rate. The lower limit increases from £8,164 to £8,424 per year and the upper limit from £45,000 to £46,350 per year.

Regulation 7 increases a number of weekly earnings limits and thresholds for determining liability to Class 1 NICs and entitlement to associated state benefits specified in regulation 10 of the Contributions Regulations: (i) the lower earnings limit, on or above which an earner gains access to certain state benefits, increases from £113 to £116; (ii) the upper earnings limit, above which primary Class 1 NICs are payable at the additional primary percentage, increases from £866 to £892; (iii) the primary threshold, above which primary Class 1 NICs are payable at the main primary percentage, increases from £157 to £162; (iv) the secondary threshold, above which secondary Class 1 NICs are payable, increases from £157 to £162; (v) the upper secondary threshold for the Under 21 age group, below which secondary Class 1 NICs are payable at a reduced age-related percentage, increases from £866 to £892; and (vi) the upper secondary threshold for relevant apprentices, below which secondary Class 1 NICs are payable at zero-rate, increases from £866 to £892.

Regulation 8 increases the prescribed equivalents of the upper earnings limit, the primary threshold, the secondary threshold, and the upper secondary thresholds for the Under 21 age group and relevant apprentices specified in regulation 11 of the Contributions Regulations, for monthly and yearly earnings periods.

Regulation 9 provides for section 2(2) of the Social Security Act 1993 (c. 3) to have effect for the tax year 2018-19. This allows money provided by Parliament to be paid into the National Insurance Fund up to a limit of 5 per cent of the estimated benefit expenditure for the financial year ending with 31st March 2019. Regulation 10 makes corresponding provision for Northern Ireland, by giving effect to article 4(3) of the Social Security (Northern Ireland) Order 1993 (S.I. 1993/592 (N.I. 2)).

In accordance with section 142(1) of the Social Security Administration Act 1992 (c. 5) a copy of the report by the Government Actuary, giving the Actuary’s opinion on the likely effect on the National Insurance Fund of the making of the Regulations, was laid before Parliament with the draft of these Regulations.
