EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in airspace in the vicinity of Swansea Bay, West Glamorgan, during air displays that are scheduled to take place there from 5th to 7th July 2019 (inclusive). A large number of aircraft will be involved in high energy manoeuvres during the displays and therefore the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the displays for reasons of public safety.

In relation to regulation 3, the term ‘aircraft’ includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3(2) are Co-ordinated Universal Time (UTC), which for the purpose of these Regulations is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(3)(a), the Wales Airshow flying display director may be contacted on telephone number 07711 437499.

Full details of the Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Airmen (NOTAM).
