## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on flying in airspace in the vicinity of Scarborough, North Yorkshire, during air displays for the general public that are scheduled to take place there on 29th June 2019. A large number of aircraft will be involved in high energy manoeuvres during the displays and therefore the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the displays for reasons of public safety.

In relation to regulation 3, the term ‘aircraft’ includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3(1) are Co-ordinated Universal Time (UTC), which for the purpose of these Regulations is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(2), the Scarborough Armed Forces Day 2019 flying display director may be contacted on telephone number 07894 725340.

Full details of the Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice To Airmen (NOTAM).

The point of contact in the Civil Aviation Authority is Mr R E J Gratton, Principal Airspace Regulator, Safety and Airspace Regulation Group, on telephone number 07917 614249.
