The Secretary of State, in exercise of the powers conferred by section 71(3) of and paragraph 7(1), (2) and (3) of Schedule 3 of the Competition Act 1998⁽¹⁾, makes the following Order.

The Secretary of State is satisfied that there are exceptional and compelling reasons of public policy why the prohibition contained in Chapter I of the Competition Act 1998 ought not to apply to, or ought to be deemed never to have applied in relation to, agreements of the description specified in this Order.

Citation, commencement and application

1.—(1) This Order may be cited as the Competition Act 1998 (Health Services for Patients in England) (Coronavirus) (Public Policy Exclusion) Order 2020 and comes into force on the day after the day on which it is laid before Parliament.

(2) This Order applies to agreements, the purpose of which is to assist the NHS in addressing the effects or likely effects of coronavirus on the provision of health services to patients in England.

2. In this Order—

“the Board” means the National Health Service Commissioning Board⁽²⁾;

“coronavirus” means severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2);

“facilities” includes the provision of (or the use of) premises, goods, materials, vehicles, plant or apparatus;

⁽¹⁾ 1998 c. 41.

⁽²⁾ The National Health Service Commissioning Board was established by section 1H of the National Health Service Act 2006 (c. 41), as inserted by section 9(1) of the Health and Social Care Act 2012 (c. 7).

“the healthcare disruption period” means the period commencing on 1st March 2020 and ending on the date specified in the notice published by the Secretary of State under article 5(1) as the date on which the healthcare disruption period is to end;

“independent provider” means any person (other than an NHS body) that provides health services for the purposes of the NHS;

“the NHS” has the meaning given in section 64(4) of the Health and Social Care Act 2012(3);

“NHS body” has the meaning given in section 275 of the National Health Service Act 2006(4);

“qualifying activity” has the meaning given in article 3.

Qualifying activities

3.—(1) For the purposes of this Order a qualifying activity is any activity specified in paragraph (2) insofar as it—

- (a) is for the purpose referred to in article 4(2)(a); and
- (b) does not involve the sharing between independent providers of any information regarding costs or pricing.

(2) The activities specified in this paragraph are—

- (a) information sharing in relation to capacity for providing health services of a particular kind during the healthcare disruption period, including information regarding staff and facilities;
- (b) coordination as regards the deployment of staff between NHS bodies and independent providers or between independent providers during the healthcare disruption period;

(3) 2012 c. 7; section 64(4) was modified by S.I. 2012/2657.

(4) 2006 c. 41; the definition of “NHS body” was inserted into section 275 by paragraph 138(1) and (2) of Schedule 4 to the Health and Social Care Act 2012.

(5) Under section 59 of the Competition Act 1998 (interpretation) references in Part 1 of that Act to “agreement” are to be read with section 2(5) and (6) of the Act which provide that, unless the context otherwise requires, a provision of Part 1 of the Act which is expressed to apply to, or in relation to, an agreement is to be read as applying equally to, or in relation to, a decision by an association of undertakings or a concerted practice (but with any necessary modifications).

- (3) The prohibition contained in Chapter I of the Competition Act 1998 is to be deemed never to have applied in relation to an agreement of the kind referred to in paragraph (1) which was made during the period beginning on 1st March 2020 and ending on the day before the day on which this Order comes into force.

End of healthcare disruption period

- 5.—(1) If the Secretary of State considers that there is no longer a significant disruption or a threat of significant disruption to the provision of health services to patients in England as a result of coronavirus, the Secretary of State must publish a notice to that effect specifying the date on which the healthcare disruption period is to end.
- (2) The date specified in the notice published under paragraph (1) must not be less than 28 days after the date on which the notice is published.
- (3) A notice under paragraph (1) is to be published in such manner as the Secretary of State considers appropriate.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order excludes from the Chapter I prohibition in the Competition Act 1998 agreements between the National Health Service Commissioning Board (NHS England) and providers who are not part of the NHS, between other NHS bodies and independent providers or between independent providers, intended to assist the NHS in addressing the effects or likely effects of coronavirus on the provision of health services to patients in England. The Chapter I prohibition precludes agreements between undertakings, decisions by associations of undertakings or concerted practices which may affect trade within the United Kingdom and which have as their object or effect the prevention, restriction or distortion of competition within the United Kingdom. Where there are exceptional and compelling reasons of public policy for doing so, the Secretary of State may exclude an agreement or an agreement of a particular description from the Chapter I prohibition.

Article 3 of the Order specifies the activities to which an agreement must relate in order to qualify for an exclusion and article 4 sets out other requirements which an agreement must meet in order to qualify for exclusion.

Article 5 requires the Secretary of State to publish a notice if the Secretary of State considers that there is no longer a significant disruption or a threat of significant disruption to the provision of health services to patients in England as a result of coronavirus. The notice must specify the date on which the period during which the exclusions under this Order apply, is to end.

Articles 6 and 7 provide for agreements to be notified to the Secretary of State and for a register of the agreements to be compiled and published by the Secretary of State.

No impact assessment has been prepared for this Order.
